That I Love Mathematics is an understatement. I enjoy it would be a better description of the relationship I have with Mathematics. Growing up, there was no equation too hard or complex for me. Figures and symbols were like ABC to me. As gifted as I was in mastering all maths equations at my disposal, there was an equation that I wasn't aware existed. It was the mathematics of intimacy, I wasn't aware it existed, maybe if I was properly schooled about it quite early I wouldn't have made the mistakes I made.

Do you want to know the equation? Then you have to follow my story, but bare in mind that it is as simple as $1+1+1+1+1+1+2+3+4+5=1$. Well, it's more complex than what meets the eye because in that answer 1, there could be 20 or 500 in that 1...

Ahhh! Have I lost you? Don't be lost, Let's go on this story journey together, it will make sense pretty soon.

My name is Miss Beauty, Sleeping around was my life, my calling and my gift to everyone I came across. I am 21 years old and I got exposed to this life from the age of 8 years old.

My first encounter of this thing called Sex was through our house help. Mum and Dad were always not at home, so I was raised by our 17 year old house help who helped herself a lot with the boys on the street.

Whenever the boys came around, they would stay in the living room watching what they ought not to be watching on the TV Screen. I would be sent into the room but my inquisitive young mind would have me peeping and watching as they tried to practice all they were watching. At first it was funny to watch, but later it became intriguing.

I didn't get a chance to practice all my mind had been fed with until I was 13 and In SSS 1. I got my share of teenage crush who later became my boyfriend. We did all sorts in the abandoned toilet in the public school I attended.

After one term with him, I became tired of him. Not only was I looking for someone else to sleep with, I kept watching more corrupt videos and the result of that was I literally wanted to sleep with any man I set my eyes on...

My beauty made it worse. Not only was I named Beauty, I lived up to that name. Some of my

friends jokingly called me "Mammy Water" (Mermaid) because of my flawless fair skin, tiny waist and big hips. This therefore made me very irresistible to all the boys I marked for sex.

By the time I was through with secondary school, I had successfully slept with 75 boys/men in the public school I attended from all classes. I slept with my juniors, my mates, my seniors, my teachers, corp members, IT Students, and even non teaching staff like cleaners.

However, there was a boy in my class who I was not able to conquer. His name was Peter. He was a born again boy. He avoided me like a plague, even when we were paired as a group, he would ask to be removed from the group. After I pursued him hotly for one year, I backed down. I even went as far as attending the school fellowship because of him and one day after Service, he walked up to me and without mincing words he said...

"Beauty, if you are here to hunt down boys, you will fail, and not only that God will punish you. I want to suggest to you that if you are here for ulterior motives, quickly use the door. You can mess up boys in class, whining your waist in class, but you won't do that under my watch, and neither will I let you corrupt the girls in this fellowship like you have successfully done with almost all the girls in our class."

His words were so direct, there was no denying. I took my school bag and feigned anger walking out in a rush.

He was right! Not only did I make most of the boys sexually active, I also had become an inspiration for innocent girls, because as I slept with and dumped the boys, the boys began to look for new partners in other girls. In my three years in senior secondary school, I had ignorantly made my public school a land of sex.

Fast forward to after graduation, I was at home awaiting admission. My parents still were hardly home, but by that time, I was mature enough to stay home with my siblings without any house help.

I became very bored, because I didn't have my boy toys to play with. I decided to look around for new boys in my area but it was very hard, instead what I found were married men. I became friends with one of them and in hiding we started making out.

This was what landed me into trouble.

Mr Sam was our neighbour, he was a house husband; his wife was the one working for the family. I found a way of seducing him and in less than two weeks we were making out on his matrimonial bed.

Two months in, I started having very weird dreams of sleeping in a graveyard and dead people walked out of their graves to have sexual intercourse with me. I always woke up scared, sweaty, and worn out.

I started losing weight and my busy mother noticed one Saturday evening. Her first question to me was...

"Beauty, Are you pregnant?" I was shocked my mother would mention pregnancy. We had never had conversations about sex education or boyfriends, and here she was talking about pregnancy. What my mother concerned herself with was my education. In her words...

"I slave myself everyday to give you a good life, so the best you can give me are good grades"

And that she got, I always topped my class especially in Mathematics.

"No I am not pregnant?" I answered quickly

"Then why are you losing weight, you look very lean"

"Boredom" I replied

"We will visit the hospital tomorrow. "

"Ok!" I wasn't bothered about pregnancy because I was a guru at this thing. I always used my pills.

When we got to the hospital, the pregnancy result came out negative but other things were discovered; My blood level was very low and my blood pressure was very high for a teenager.

The doctor was interested in talking with me about the high blood pressure. I told him about not sleeping well because of weird dreams. I told him about the graveyard dream. He told my mom to look into the dream, but as always my busy mom asked for the drug that will boost my blood level and the one that will regulate my blood pressure.

We got the drugs and returned home. I was also given sleeping pills to aid my sleep.

The sleeping pills made it worse. I became locked up in the land of the dead being raped to stupor by dead beings. I wanted to wake up but I was too paralyzed to do that. By morning, when the sleeping effect of the pills had worn out, I laid on the bed unable to move. My siblings came to inform me they were leaving but they noticed I wasn't moving and I had tears in my eyes. They tried shaking me but I was too weak to move any part of my body in response.

They used their initiative and called my mom to return home.

On getting to the hospital, I heard the Doctor say to my mother bluntly....

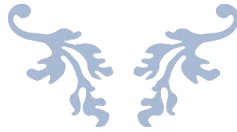

"I told you yesterday to look into the dream your daughter is having and you brushed it aside, telling me to pump her with drugs. She said she sees herself being sexually molested in graveyards in her dream. Madam, your daughter's case is spiritual, carry her to a church fast..."

That was the beginning of my journey into the discovery of the mathematics of sex and how I tried solving it in my own wisdom.

CHAPTER 2

SEXMATICS: THE MATHEMATICS

OF SEX © Opeyemi Akintunde...

INSPIRED BY THE HOLY ONE

"Ha! Madam...this your daughter has gone far ooo, Arabinrin(Sister/Lady) what have you been doing to yourself to amass all these spirits through sex?" The Prophet my mother took me asked.

My mother was confused!

"Sex? No Woli (Prophet) you are mistaken, she is still a young girl, she just has a big body, she is a virgin" My mother defended blindly.

"Abi? (Right?)" She tapped me so I could confirm her claims about me. I nodded in the positive to save her from shame.

"Young Lady, you can lie to your mother, but you can't lie to the Spirit of God. Are you a virgin? " The man asked with a piercing and intimidating look.

I knew I had to say the truth, because I needed help.

"No!" I replied to the disappointment of my Mom.

"Ha! Beauty? How? When? With who?" My mother stuttered for lack of words.

"Since" I replied briefly

"Oluwa ooo (My God!)" My mother exclaimed

"Young lady if you are going to count, how many men have you slept with?" The prophet asked

I shook my head in the negative implying that I couldn't count them.

"Don't play with me! If you want to be free, I want you to answer me honestly" the prophet said furiously.

"Two?" My mother supplied ignorantly

I shook my head

"Three?" She asked again

I shook my head again

"Fifty?" The prophet hijacked the questioning from my mother.

I shook my head...

"Sir, it can't be up to that Sir? How old is she that she would have slept with 50 men, even me her mother has only slept with 5 men in my lifetime" My mother defended in tears.

"Like 70" I blurted out hurriedly before I lost the courage to say it.

My mother looked at me very shocked in disbelief but when she read my eyes, she collapsed because of the truth staring her in the face.

We spent the next five minutes resuscitating her. When she came through, she kept looking at me in shock, she felt betrayed. Despite slaving herself to give me the best, I gave her the worst.

"Mother, this is not the time to be weak, this is the time to get back your child from the world of the dead. She has slept with a man who slept with a dead woman in the bid to make money. What people fail to realize is that Sex makes a person become one with another person. You are a student right? You study mathematics in school right? What is $1+1$?" The Prophet asked

"2" I answered

"Well for sexual intercourse, $1+1$ is not equal to 2, This is called the mathematics of sex, it is in the Bible, let's check it....1 Corinthians 6:16... Let her read it herself " The prophet said

My mother passed her Bible to me and I flipped to the part of that scripture...

"Do you not know that he who unites himself with a prostitute is one with her in body? For it is said, 'The two will become one flesh.'" I read

"As a smart girl that I can see that you were created to be, according to that scripture, when you have sexual intercourse with another body, 1+1 equals?" The prophet asked

"1" I replied. It was clear. The Scripture had said who ever joins himself in sexual act with another person becomes one with that person.

"That is what is sometimes referred to as Soul-tie covenant. When you sleep with someone, not only are you joining your physical bodies with them, you are welding your soul with them and that means whatever is operational in their bodies

starts manifesting in the sexual partner's lives. The Bible says their bodies become one. Meaning if one of the body is suffering from sickness, the sexual partner's body suffers the same. If the body of one of the partners is under witchcraft bewitchment, the body of the sexual partner experiences it too"

"Ha! My life is finished... Beauty has welded her body and soul with 70 men... Ha! I am finished, because Woli (Prophet) from what you are saying now, When you sleep with a person, there is welding of soul into one, one plus one becomes one, so Beauty has become one with them." My mother was hysterical.

'I should have suspected too ooo, sometimes I sense as if there are several people around her or in her room when I go there. The Presence in her room is always heavy..." My mother was going bunkers

"The reason this challenge is coming up now is because the negative effect of her previous sexual encounters were hidden effects, but this one came to limelight because the Spirit of the grave is a very wicked and impatient spirit. The other spirits she has contacted through different sexual intercourse are patient spirits waiting for her in the future..." The prophet explained.

Despite how frightening what the prophet was saying was, I wasn't scared because the Prophet had spoken my language...

Mathematics! Equation.

He had said I had contacted the spirit through sexual intercourse, meaning it was added to my life through sex. I knew the best way to get it out of me. It was through reduction. I needed to minus the spirit of the grave through sex. I needed to dash it out to someone else!" My limited calculative mind processed.

"So she needs to go through several prayer and Fasting sessions to purge herself of these spirits" the prophet was saying.

"Prayer and Fasting?" I asked

"Yes! In fact if your mother would permit you, you should start living in the church for this spiritual purging. This purging can take six months to one year of intense prayers"

"Six months to one year? Ha! " It was not making any mathematical sense. If the spirit of the grave came into my life through five to ten minutes sex why couldn't he just pray for 10 minutes to chase out the Spirit?" I questioned in my mind.

"Since when have you been Sexually active?" The prophet asked. It felt like he had been spying on my internal conversations.

"3 years!" I answered

"And you want the spirits to leave you in five minutes?" He asked rhetorically.

"Madam, your daughter needs to be in the presence of God for nothing less than 40 days for total purging, if I were you, go home, get her clothes and bring her here tomorrow morning, so you don't lose her." The prophet said...

**

My mother dropped me in the church the next day after an all night pleading session with my father who we could not tell the real reason for my leaving the house for 40days, but my mother found her way into bending his mind. She told him there was a death vision someone had concerning me and I was advised to be in church for protection prayers for 40 days.

If someone had told me prayer was hard work, I wouldn't have believed it. This prophet had me sit in one position for four hours just praying one prayer point...

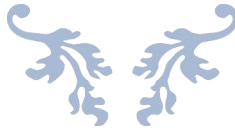

" LORD! Have Mercy on me in Jesus name"

I was not allowed to eat or drink water. He informed me that by the third day, I will be allowed to drink water...By 6pm of the first day, it felt like I was going to die... I did what my calculative mind suggested to me...

Omooooor! I fled for my life..

CHAPTER 3

SEXMATICS: THE MATHEMATICS

OF SEX © Opeyemi Akintunde...

INSPIRED BY THE HOLY ONE

It was around 8:30pm when the church concluded their evening service; I saw it as the perfect opportunity to escape. When the crowd was leaving, I joined the crowd and escaped.

After about 15 minutes of walking aimlessly, I began to understand how stupid my plan of escape was, because I had no money on me, I couldn't return home because my mother would bring me back to the church the next day. Even if I wanted to return home, I had no money to commute myself home. What was funny though

was the fact that I suddenly lost appetite for food, I was no longer hungry.

"Hey, Fine girl!" A young man called out.

"Let's do a sharp one, one thousand for grabs" He said.

I was not in the mood for that, I just wanted to find somewhere to stay.

"Two thousand? Three thousand?" He said

I stopped in my tracks.

"Wait a minute! Hold up! Was this man offering me money in exchange for sex?" I asked myself

"That would be a first!" I replied. Prior to this time, sex was just fun for me, but at that point it

seemed like business for me. My Calculative mind remembered the Economics class back in secondary school. I remembered my teacher once said " Money is not the Paper Currency, but what you have in your hand to get what you want." She taught us Trade by barter as a means of exchange. "Therefore, your money can be the hair you can make which you will exchange for money in the hands of another person."

"Let's do some trade by barter" I said to myself. "I give him sex and he gives me the money I need right now"

I turned to him. I also decided to bring to practice another concept we were taught in school.

Bargaining Power.

"I am not your regular kind of girl, 10,000 for a quick one" I said

"10k for quickie, beside the wall? If na bed, how much you go charge?" He asked

"50k!" I replied

"You go sabi?" (You must be good?)

"Wella, this body go don service over 50 men of different sizes" (Very Well, this body has serviced over 50 men of different sizes) I said stating it as a thing of pride.

"50? You dey whine me?"

(You are joking right?)

"Why I go whine?" (No, I am not, Why would I be joking?)

As we continued negotiating, the words of the prophet kept replaying itself in my mind.

"Hope I am not about to add another evil spirit into me?" I asked myself. " I don't know what this guy is carrying sef?"

"Why don't you see it as giving it to him instead, since you got this grave spirit through sex, transfer it to this one." I found a reasonable answer.

"Let's do it this way, service before payment. If you don't disappoint, I will give you your 10k, but if you don't meet up to expectations, I give you your 3k"

"No wahala" I said. (No problem)

"No Wahala for me, since I am about to gift you the spirit of death" I said within.

We found a very dirty corner and as we got down to do the dirty business, stupid me started saying in my mind...

"The Bible says the Body becomes one in sex, I transfer all the evil spirits inside me into you...I empty myself of these evil spirits into you in Jesus name"

We were done in like 15 minutes and he handed my 10k to me.

Another idea dropped into me, definitely the evil spirits were inspiring me... It was possible he had friends who would want to do the same, I needed a lot of money to survive for a few days.

"Do you want to invite more evil spirits into you"
My weak conscience made an attempt to help me.

"It's pure mathematics, as I collect the Spirits , I dash it out to other people " I said ignorantly.

"Guy, I am still strong oo, do you have friends who need to be serviced tonight?" I said with no shame.

"You don't mean it? You be machine oooo" he said

"You go fit do three or foursome?" He asked

"I fit do tensome sef!" I replied...

"Ok, na house that one go be !" He said and held my hand like we were going to an abattoir for me to be slaughtered...

On our way, he started calling some of his friends. I asked him to buy me an energy drink because I knew I was going to need it. He bought it and also suggested a pill. He told me it was a drug that would make us all high.

Not only did he buy me energy drink, he bought me a delicious meal which I devoured like a ravenous animal. His friends started coming in one after the other. Eventually, they were seven in number including the first guy.

I took the pill and after that I was no longer myself. I saw myself as a lioness and all the boys became like little cubs around me...

In between the whole experience, I saw something strange, there was an exchange of dark smelly smoke between all of us. Dark smoke left me and entered into each of them. Likewise, different dark smokes left them and entered me.

I was too high to stop.

Eventually, we all slept off...

However, when we woke up the spirit of the grave had taken the life of one of the boys...

One of the boys had died!

"Ochuko! Ochuks! Wake up!"

CHAPTER 4

SEXMATICS: THE MATHEMATICS

OF SEX © Opeyemi Akintunde...

INSPIRED BY THE HOLY ONE

"Ochuko don chuk die ooo" (Ochuko has died because of sex) One of the boys wailed

I stood in shock!

"This Mathematics of sex is really dope!" I said to myself.

I had successfully given the spirit of the grave to another person.

"No be all of us chuk?" (Wasn't it all of us that had the sex?) My first contact said as he tried to remove the blame from his head.

"Na overdose do this guy, he took three pills" (It's a case of overdose) He continued.

Immediately all eyes went off me and my first contact.

They started punching the dead boy's chest!
Heavy blows!

"Ochuks...come back!"

They lifted his body off the ground, slammed him on the floor, they gave him hot slaps, all in the bid to wake him up.

"Make we go hospital!" One of the boys suggested

"Correct!"

They picked him up and left...

"You! Disappear before I come back!" My first contact said to me.

"Obviously!" I said within me.

As they left, I got into my clothes and ransacked the entire house for money. I was able to steal about 230k, and some wristwatches. I picked a laptop as well. I had never stolen in my life prior to this. Stealing was something I despised but suddenly it felt interesting to me. Funny thing was, it felt like I knew all the places to check for the valuables like I had lived in that house before.

I put everything in a backpack and left.

It was still around 5:30am when I left, so no one could really see my face.

I started running as fast as my legs could carry me.

All of a sudden, a mad man jumped in front of me and I screamed...

"Are you afraid? You are the one we should be afraid of? You are running in the wrong direction, you better go back to where they will offload all these load on your head, leg, neck, stomach or else you will come to this world achieving nothing. Go back to church". He said and hissed.

My heart was In my mouth! The fear had paralyzed me. I stood there for a while and all I could remember in that fear was " Go back to Church"

I turned in obedience, but some voice from within spoke very loudly, it felt like a speaker was inside me.

"If you move an inch, I will kill you. Turn back and follow my instructions. I will take you to the church you should attend"

That was a first!

Invisible voice?

"God! Where did I get this from?"

"Are you asking me questions?, because I am now your god?" The voice replied.

I froze!

I was really hearing an invisible voice.

"I am the god that works with one of the boys you just slept with, I tell him where money is hidden. I have made him rich, I have been looking for a female host, so we can run things together, here you are" the voice laughed irritatingly.

It made calculative sense! No wonder it was easy to steal all I took from the boy's house.

"Please, leave my body, I don't want you. "

"You don't have a say on that now, you opened the door, and now that we are in, we are going nowhere"

"We?" I asked

"Oh! You think I am the only one that came in, No about 200 of us came in overnight. It was a party

last night. Some prefer to be quiet, while others like me like to be outspoken!" He replied

I felt like I was running mad!

"Don't run mad Darling, we need you sane for us to work"

"Did I give out death just to get 200 more terrible demons?" I asked myself

"You don't give, you only replicate" the voice replied

"Replicate?" I didn't understand " Wait! Does it mean that the spirit of the grave is still in me?" I asked but instead of getting an answer, I got an order.

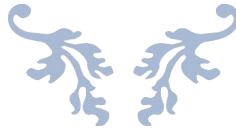

"Stop!" I heard the voice order me.

I stopped!

"Enter that church and tell that man your problem!" The voice ordered.

CHAPTER 5

*SEXMATICS: THE MATHEMATICS
OF SEX © Opeyemi Akintunde...
INSPIRED BY THE HOLY ONE*

I walked into the church and I met a man seated on an old looking chair. He was busy on his phone watching a movie.

I could hear familiar sounds from the phone. I was too familiar with porn sounds not to recognize it from afar. He was watching Pornography in Church early in the morning. I concluded this person must be a serious addict!

That was the initial red flag about the place called church.

"Pastey, I am leaving. I will return at night." I heard a girl say as she walked past me. The Pastor whose title as a pastor was pronounced in a funky way 'Pastey' looked up to say his goodbye, and then he noticed me.

"Yes! Who are you? What do you want?" He asked fiercely

"I am sorry sir, I have a problem"

"What problem? If it is money, this is a small church and we don't give money. The offering we collect is very small..."

"I have money, if you can help me, I will give you N50,000"

"What?"

"I said I can give you 50,000 if you can help me" I repeated

"What is your problem?"

"I am a sex addict and it has caused a lot ..." I was about to spill out all, when the internal voice screamed

"That's enough, Don't say too much" the voice commanded

"And?" the Pastey asked

"I want deliverance..." The voice ordered me to say.

"Ok..." The man dropped his phone and stood up. He started walking around me accessing my body like I was a mannequin or a product on display. I was getting confused until he decided to help me out.

"I will do the deliverance for you, but it has to be a sexual deliverance. You need a man of God to sleep with you to chase out all the evil spirits inside of you. The Bible says when a lesser power meets with a higher power, the lesser power bows. The Bible says that as soon as they hear of me, strangers shall submit themselves to me and run out of their closed places. So if a sexual demon lives inside a lady, if a man of God sleeps with her, his anointed sperm will enter the woman and become fire in her body chasing out all the demons in her body" The man talked confidently.

My Calculative mind went to work. What he said made sense, but a few minutes earlier the evil spirit in me said he wanted to use me for his evil

work, but was it possible for the same evil spirit to send me to a man that will chase him out.?" I questioned...

"Are you in or not?" The Pastey said " I just conducted the same deliverance with the lady that you saw on your way in. It was an all night session and she testified before leaving that she felt lighter. My Dear, don't underestimate the Power of God in my life" he boasted

I was confused and unsure, but the voice in me shouted at me...

"Why are you wasting time? Take off your clothes!"

For the first time in my life, I honestly didn't want to have sex. I was very afraid of the possibility of accepting more evil spirits through the Pastey, but the spirits in me pushed me forward. Like I literally

felt, I was being controlled. I started pulling off my clothes myself and at the same time I was crying.

The Pastor went to the entrance and shut the door.

The Pastor cannibalized my body. He treated my body with absolutely no respect, all in the name of chasing out demons from different parts. It was dehumanising to say the least. He treated me like a sex worker.

When All was done, he said...

"You are free!"

But I didn't feel free! I felt depressed, used, sad and at that point, I wanted to end it all. I felt like I wanted Death. Death suddenly felt appealing.

"The Deliverance Offering?" He asked with no shame.

I looked around where he called a church! No wonder! The church looked like a dumpster. There were only five chairs which must be for his members. A person could not be a sexually immoral pastor and flourish in his ministry.

"Get ready to die, Adeyanju. You have met your death today!" I found myself saying.

The Pastor froze! He looked at me in shock. I also was shocked. I wondered how my mouth had produced that sound called words.

"I am sorry! I don't know how and why I said that"

The Pastor rushed at me and put his big hand on my neck choking me.

"Who are you? How do you know my name? Ehn
Ehn... You were sent against me! You have failed!"
He said choking life out of me.

I couldn't tell where the strength came from, I suddenly felt empowered. I took his hand off my neck and broke it.

He screamed and backed down.

I knew I was being controlled.

I walked towards him as he was trying to run off from me. With my tiny hands, I picked him up, strangled and smashed him against the wall.

He died!

In that same moment, I came back to my senses and saw what I had done.

I just killed a man.

I broke down in tears at the realization that not only was I probably still carrying the spirit of the grave, I had also become a murderer.

" Stand up and stop the tears, if you get caught here, you will rot in jail"

I didn't want to rot in jail, I wanted to kill myself.

"Forget Death for now, you are my hand and body piece, I need your existence on earth. You can't die! Not yet! Maybe when I am done, you can then help yourself out of your misery. So get up!"

I didn't answer!

What came next felt like nothing close to what I have ever experienced before; A migraine that felt like the entire world collapsed on my head ..

" Eiihhh! " I screamed "My head!"

"Are you ready to get up, or should I increase the frequency of that?"

I quickly jumped up and the pain left instantly...

"Pick up your bag and leave here quietly, you will meet a pregnant woman at the bus stop, ask her to help you."

I ran hoping to escape the voice within, I thought it was something I could run away from. I was running in the opposite direction of where the voice asked me to go. I wanted to return to the Church I ran from.

Migraine came calling!

It hit me like I was going to run mad. I stopped and held my head.

"I am going to fight this." I told myself but I realized that for every step I took towards the direction to the church, the more intense the migraine became.

It became so intense I started screaming...

Passers-by started stopping...

"Are you Okay?"

"What is wrong with her?"

"She may be insane!"

"But she looks too young to be insane"

"Is there an age for insanity?"

No one could come close to me.

"Why are you suffering yourself? To stop this Migraine, you just have to face the other direction. Try it and see the difference" a stranger who eventually came close to me said to me as he turned me to the opposite direction.

The difference was clear!

The Migraine disappeared like it was never there.

I knew if I wanted to live peacefully, I had to follow the voice's instructions.

I started walking towards the direction of the bus stop.

I saw the Pregnant woman, but as soon as I got to the bus stop , she got into another vehicle...

"You wasted time and now you have missed her. You are going to get punished for that!" The voice said

Instantly, it felt like a million worms were crawling on my body. You couldn't see them physically but I was having the feeling of it all over my body. It was so overwhelming, I was scratching my body and crying.

I saw a bike and waved it down, telling it to trail the bus. I told him I was trailing my Aunty and I didn't want her to know. We followed till she alighted.

I alighted, overpaid the bike and ran after the pregnant woman... I didn't know what I was going to say, but I needed the 'crawling' feeling to stop.

"Good morning ma" I greeted

The Pregnant woman jumped back in fear.

"I am so sorry ma, I am not harmful. I just need your help" I said panting.

I noticed though she was cautious, she was compassionate. She quickly opened her purse and brought out One thousand Naira. She pushed it into my hand.

"Tell her you don't need money, tell her a pathetic story that will make her take you home" the voice in me instructed.

I quickly returned the money. I noticed she wore a crucifix necklace; that gave me an idea.

"My name is Fatima, I was born into a Muslim home, I recently became born again after

watching a message online. My father caught me praying in the name of Jesus yesterday night and was going to slaughter me. My mother helped me escape. As I stood at the bus stop, a voice within me told me to follow you and tell you my story, that you would help me. " I lied effortlessly.

"Eyaaa! Sorry about that! That voice is what we call the Holy Spirit" the pregnant woman replied

"Oh!" I feigned ignorance

"My Dear listen, as Christians, we should count it all joy when we face persecutions" She continued.

"What do you have in your bag?"

"Few things in the house my Mother packed for me."

"Ok!"

The woman took a pause and thought for a few seconds, before she finally said.

"Will you be able to manage in my place for a while?"

"So quickly and easily!" I thought.

"Yes ma. Thank you ma."

"But there is a problem! My husband! We have to lie that I know you from my secondary school; Federal Girls College. The story is when I was in SSS 3, you were in JSS1 and you were my school daughter " The woman said.

"So what is the point of the crucifix on her neck?"
I wondered as telling a lie was so quick for her.

"Sure ma!"

"I can't go back home now, so we will go everywhere I have to be today." She said

"Ok ma!"

That journey with her was all I needed to know everything about her. She was too much of a talkative for her own good.

I got to know she waited for 11 years before her miracle pregnancy happened. She told me her husband was a chronic unbeliever and according to her she was "The Woman sold out for God".

I couldn't help but wonder what the wicked voice wanted to achieve with the pregnant woman. I just hope it was not planning to kill her!

Talk about lack of Spiritual sensitivity even though she carried a crucifix on her neck, this woman was the definition of a Christian who lacked the Spirit of discernment...

If only I could take back the hands of time, I would have endured the migraine instead of following her, because...

When we got to her house, we met her husband waiting impatiently for her. The moment the door flung open, I heard a loud...

"Finally...Bolade...What is it exactly? Must you walk around the entire city in the name of business?"

"I am sorry, My Sweet Darling!" She said laughing

"And who is this?" The man asked without hiding his irritation

"Ha! See Honey, this God is good! This is Fatima, she used to be my school daughter from way back. I met her today. Just like me she was disowned by her father for choosing to be a Christian."

"Ok?" The husband asked

"So I brought her home, so she could manage with us for a while"

"Are you drunk? You brought in a dirty looking girl to live with us?"

The wife pulled him away from the scene and they went to the corridor. I quietly followed...

"Babe! We have been looking for a maid for over 5 months and we have been unable to get one. You know the Baby is arriving soonest. We need

another pair of hands. This girl will be that extra hand!"

"Ehn ehn?" (Really?)

"Yes!"

"Just tell her to stay off my lane..."

"Ok...Thank you my Dear!"

I ran back to where I ought to be...

"Fatima, come with me." She said as she took me to a room. The room was beautifully furnished.

"Freshen up and come out for dinner" She said.

I sat wondering what my assignment was in that house.

The home looked peaceful, and knowing what had happened through my hands earlier that day, I was scared of what might become of the home.

"Get up and Freshen up...You have to sleep with the husband and you have only three days to achieve that!" The voice ordered.

My heart raced!

"Is the man going to die as well?" I asked

"It's none of your business what I do with your body, just obey instructions if you don't want to be punished!"

The word "Punished" sounded like hell to me. The thought of the Migraine Pain sent shivers down my spine. I didn't want to experience that.

It quickly dawned on me that I didn't have any clothes to change into. I wrapped the towel from the bathroom around me and I walked out of the room.

I was being controlled.

As I walked into the living room, I met the husband seated watching the News. The moment his eyes met with my towel wrapped body, I knew he was hooked.

We both stayed quiet for few seconds and it felt my tongue loosened suddenly and I said...

"Sir, please where is Aunty, I need a change of clothes. I don't have any."

I felt it! I felt someone drag the towel off my body. I felt an invisible hand drag it off. I was deliberately put on display for the viewing pleasure of the man. The evil spirits I carried around were very strategic.

I stood for about twenty seconds frozen unable to move because the Spirit of Lust in me wanted the husband to feed his eyes.

After I became unfrozen, I picked up my towel and raced to the room.

I was panting in fear because It became clearer to me that my will was no longer mine. I had become a puppet in the hands of some demonic forces. I really wished I could go back to the Pastor. I was shaking in fear like a leaf during a windy season.

After about ten minutes, the wife came to my room. On seeing her, I was scared the husband would have told her about my show, but instead what she said made me realize her husband had covered the event up.

"My husband told me, you were shouting for me to come. Are you okay? I went to take a shower."

"I am sorry ma, but I just realized my mum didn't pack clothes in the bag, she actually put in valuables like my Brother's laptop, wristwatches in there. I believe she did that, so I could sell them to survive" I cooked up a lie so fast.

"Oh! That's very thoughtful of her." Mrs Bolade said. "Let me get you some clothes. I have some I have been thinking of letting go of"

She breezed out happily and returned after a while with different beautiful outfits.

"Don't get too comfortable, you will be here just for a few days" the internal voice reminded me.

"Thank you ma" I said

"Dress up and join us for dinner"

**

I sat at the Dining table with her husband. The woman's other name was "CARELESS".

She sat on the sofa watching TV, while she left a total stranger with her husband.

The husband stared at me throughout Dinner. I couldn't tell what was on his mind, but a few hours later, I got to know.

The internal voice would not let me sleep with the constant reminder of "You only have a few days to spend here", plus my mind was troubled especially knowing two people had died on my account in less than 24 hours.

A slight knock at my door made me jump up in fear. Though the knock sounded softly, it sent an earthquake of fear into me.

"Open!" I heard the voice of a man. I wondered who he was.

"It's me, Open up..."

"What are you waiting for? Open up and Open up!" The Second 'Open up' had a deeper meaning.

I stayed glued in the same position intentionally. I didn't want to hurt this family. Unfortunately, Like a person under control, involuntarily I stood up and opened up to him.

The man walked into my Slaughterhouse. My desire was to push him out, but the forces in me were way stronger than me.

There was no talking between us. The Spirit driving both of us knew the purpose of our meeting. I did my part as led by the spirits and he did his part. After we were done, he stood up from the bed and walked out.

"He didn't Die!" I said to myself. "That's a relief..."

"Your work here is not to kill him, but to kill something else"

"What?" I asked

"Who are you to question me?" The voice asked madly.

"Get up and Get out of here" It ordered me.

I checked the time, it was 2:17am.

"I can't go out tonight! It is late"

"Nothing will happen to you, you are useful to me, so I will protect you"

With that, I knew I was no longer the boss of me, and I was not a partner in this business of being used by this evil spirit. I was a slave who didn't have a say.

I stood up, packed up my bag and took some of the clothes she had given me.

The voice told me where the house key was. I opened the gate and walked out. The dogs in the compound saw me and laid flat in submission.

I couldn't help but shed a few tears as I didn't know what was going to happen to the poor pregnant woman.

"Hey stop there!" I heard a loud coarse voice...

"I said stop, before I gun you down!" I heard the voice scream again.

I didn't stop. I wanted whoever it was to carry out his threat. I wanted someone to kill me.

"Stop!" The internal voice ordered me.

I had to Obey that one.

I heard more than one approaching footsteps. I wasn't interested in looking back at them. They walked towards me and came into my full sight.

"You didn't want to stop before, but when you heard we will gun you down, you calmed down" one of the young men said.

I knew their type, they were the street touts that slept on the street. The boys who ran from home thinking the street was life.

I saw how dirty they looked. You could tell that some of them had not had their bath in days.

From the look on their faces, I could tell my mermaid shaped body was enticing them. Even though I was a sex addict, I never stooped so low to sleeping with dirty street boys.

"But you have to sleep with these ones. They will be great transmitters. On a daily basis, they have access to sleeping with a lot of girls, so I need you to replicate yourself into them, so they can

replicate what you carry into other girls, and the chain continues...." the internal voice said to me.

"That means I am a transmitter as well?" I asked the voice but as usual no answer.

"Bebe, this your body is hot!" One of the irritating guys said

"If I were you guys, I wouldn't do what is in your minds" I took a chance to advise them...

"See this girl dey threaten us" Another guy spoke.

"What do you think you are doing?" The internal voice asked angrily...

"I can sleep with anyone but dirty street boys! No way." I tried being stubborn.

If the Migraine I ever felt before was called Pain, then I wouldn't know what name to call what happened to me next....

The Migraine was 'Pain extraordinaire.' I began sweating profusely.

The boys took the sweat as fear. They grabbed me and pinned me to the ground. They took rounds in raping me till they got tired. I lay there wanting to die, but I couldn't. The moment they started their act, the migraine left.

In total they were about 12 of them. And about three of them raped me twice. The irony of the entire event was that, I was not tired. It felt like the spirit in me had injected me with some form of energy booster.

When they were through, they left me to die...

I heard one of them say as they were leaving...

"Before day break, this girl go don kpeme" (Before the day breaks, this girl would be dead)

If only they knew the reverse was the case. If only they all knew that they had contracted the STD of Death (Sexually Transmitted Demon of Death).

In that moment, I was happy I had been raped by them. I was happy they had gotten what served them right. I was happy they had been punished for all the girls they had ever raped before.

I wanted to get up, since I was feeling strong enough but the voice told me ...

"Stay Down, I need someone to pick you up".

"I feel strong enough to rise up" I said

"I gave you the strength, and now I said, stay still.
You are going on another assignment for me"

"Please, I just want to go home. I don't want to
run errands anymore" I cried.

I couldn't believe a time would come in life that
being at home would be the only place I would
want to be. There were times as a teenager I had
imagined running from home. A scripture my
mother would always say flashed through my
mind as I lay there crying...

"Like a bird that flees its nest is anyone who flees
from home". Proverbs 27:8 was my mother's
favourite scripture.

Since she was hardly home, that was her threatening scripture for us.

In her words she would say "Bible has said it all, whoever strays away from home is like a bird that strays from its nest. When it leaves its nest, the bird is open to destruction. Stay where I have put you. No going out."

I always dreamt of running away but here I was wishing I could go back to my nest.

The Day broke and my shame was in the open, I was almost naked, some people passed by me shaking their head in pity, while others said awful things about me.

A bus that was passing by stopped. A woman rushed out of the bus towards me. I saw two other people running after her; a lanky man and a beautiful chubby lady...

"What's happening here?" The First woman asked as she looked down at me.

"Nobody knows" someone in the crowd replied.

"It's possible she followed those Yahoo plus boys (Diabolical Cyber fraudsters) and they have used her for their money making ritual."

"Oh My God! Tina, Chuks...we should help this girl"

"Sure!" The lady called Tina agreed at first but almost immediately I saw in her eyes withdrawal. It seemed like she saw something...

She quickly held the hand of the First lady and said quietly, though I heard loudly...

"Favour, I saw something."

"What?"

"I was thrown into the future. I saw this girl in a large farmland, she was uprooting seeds that had been planted in the farmland and destroying it. I hope we are not planning to take her to the Lighthouse?"

"Oh Really!" The Lady called Favour replied.

"Yes! "

"That means we should hand her over to the government" the man amongst them called Chuks said

"No... what this girl needs is Spiritual intervention, not government intervention. We didn't pass through here by mistake. God wants us to save and impact this girl. Tina, what you saw could be a warning on how critical her case is. It doesn't mean we should not help her. Let's help her." She said with a tone of finality.

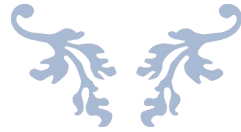

"Great!" I heard the internal voice say in excitement. "My transmitter, it's time to transmit a lot of into the lives of some people called the Lighters"

"The Lighters! Who are the Lighters?" I asked myself.

I sat in the Bus like I had no strength in me, because that was what the voice instructed me to do.

The Lady called Tina, could not hide her disapproval of me. She kept casting skeptical glances at me at intervals.

When we got to a Shopping mall, the Lady Favour and the Man alighted to get groceries. Tina insisted on staying in the bus.

When the two were out of sight, she faced me squarely...

"I know who you are and your intentions, Let me tell you, you cannot corrupt the minds of the young ones under our care."

"Ma?" I feigned ignorance

"Are you playing with me right now?" She became more angry

"I don't know what Kingdom or agency you are working with or For, but when I was at the other side I was close to the devil, so when I see someone from the other side I spot them instantly...So, in the name of Jesus Christ, if peradventure you plan on uprooting the lighters from the vineyard of God, I command you to get down from this bus now and walk far away from us in Jesus name."

The internal voice went silent for the first time and I obediently went down from the bus. I walked away from the vehicle. The bus driver was shocked I had the strength to walk.

"Aunty Tina, See how strong this girl is walking, and she pretended to be without strength. Thank God for the Spirit of God!"

I took a bend and hid by the edge. I broke down in tears. I wish the woman had used the power she applied in sending me away to send the evil spirits out of me. I peeped and saw the First woman and the man return to the vehicle. After some back and forth, they left.

"Couldn't you resist her?" The internal voice got back his speech

"What about you?" I snapped back at the voice.

"That was a big loss" the internal voice said

"Now, can you leave my body, I want to return home" I said

The voice roared in laughter.

"You wish" the spirit mocked.

I sat on the floor not knowing what to do next.

"Look over there!" the voice said

"Cleaner needed!" I read the inscription on the fence of the shopping mall.

"So?" I asked angrily. "I hope you are not suggesting I go there as a cleaner"

"I am not suggesting, I am ordering you"

"Why? What do you want me to do here? This place is a shopping mall."

"Obey the first command and other instructions will follow." the voice said authoritatively.

I sat still not wanting to obey. I was emotionally exhausted.

"Beauty, See what you are doing as some form of good. Those boys who raped you have been doing that to several girls, so they had to be punished. The first set of boys you slept with are Yahoo boys (internet fraudsters), especially the one who died. He just duped a family of five hundred million

naira. So you can see that you are doing some kind of good." the internal voice tried sweet-talking me.

"What about the pregnant woman? Why did I have to sleep with her husband?" I asked

"The husband has blood on his hands. During his youthful days, he made his numerous girlfriends abort whatever pregnancies they had for him to the total of 21 abortions. The blood of those babies have been crying for vengeance, hindering the conception of his wife. However, the wife met a powerful prophet who prayed for her and paved a way for a miraculous conception. Isn't that unfair? Why should he have a child, when some of the girls he slept with and were forced to abort have damaged their wombs in the process and are unable to be mothers, Why should he have a child?"

"He truly shouldn't" I replied

"Exactly and the wife is also not a saint. She is a Chronic liar!"

"So let me guess the mathematics at work here..."
I said. " You made me sleep with him to transmit the spirit of the grave into him, so that when he sleeps with his pregnant wife, the spirit of the grave enters her and kills the miracle baby?" I asked

"You are very smart!" The voice replied

"Nice" I replied

"So stop resisting me in you, Let's become partners and punish as many people as possible and we will make you very rich." the internal voice said

"You will make me rich?"

"Yes, We will buy you a big house, cars, We can even make you travel abroad!" The voice boasted.

"Let's get to work!" I replied.

From that moment, I moved from an unwilling servant to a willing partner with the devil.

I was referred to the manager. I was expecting to see an elderly woman but my eyes met a young handsome man in his late 20s.

"Good Afternoon, What can I do for you?" he asked

"I want to apply for the cleaning job"

"Oh! How old are you?"

I was about to give my real age but the internal voice told me to lie.

"I am 18 Sir!"

"Ok. You look younger than that though."

"Genetics sir"

"Genetics! Very intelligent answer. Are you educated?" He asked

"Yes. I am through with secondary school, just awaiting university admission."

"What's your best subject?" He asked out of the blues

"Mathematics" I answered as I didn't need to lie about that.

"Oh Interesting! Ok, $5+10+23+56+75+89$ equals to?" He asked

I honestly didn't see that coming. That was a simple question but at first unlike me, I struggled to calculate, but I pushed through...

"258." I answered

"Wow! That's fast!" He said

"Not as fast as I used to be" I said within myself.

"I will be giving you a job in the storage department, not as a cleaner. You are smart." He said

I was super excited but the internal voice felt otherwise.

"No... I don't need you in the store, I want you where you can relate with humans and not goods. Reject the offer Now!" the voice ordered.

"No sir! Please as appreciative I am of your kindness, I prefer the cleaning job. I am trying to avoid any mental task for now."

"Oh! Wow! Why is that?"

"I do a lot of calculations at night as I am preparing for an exam, so I don't want to spend my day exerting pressure on my brain"

"Oh! Ok, if you say so"

"Thanks Sir."

He introduced me to the supervisor on duty and I was told my job. I had to clean at intervals. I was given three sections to clean.

Throughout that day, I cleaned and not so surprisingly, I realized I wasn't tired.

My first project was the Manager himself!

"Beauty, we need to run down this place!" I heard the voice.

"What? How? Why?"

"You will have to sleep with the manager and introduce the spirit of rejection into his life and as

the head here, the oil of rejection flows from him down to everyone here thereby affecting the business"

"Ok! What's his own offence, why are we punishing him?"

"Well, he is not the offender, the owner of the mall is the one that needs to be punished. I hate her. She chased me out from somewhere I was very comfortable and I am ready to wreck everything she has." the internal voice said.

I felt a sudden heat overwhelm me, and in that same moment, a young beautiful lady with a baby boy of about two years old passed by me and my body went on full vibration mode. I began to shake uncontrollably. Sudden heat had overwhelmed me.

"Fire!" I voiced out involuntarily

"Fire! Where?" My cleaning partner asked

"Nothing... I was saying that woman is Fine. I said Fine not Fire!" I quickly said to cover up.

"Oh! Manager's wife? Yes ooo, she is fineee"

"Manager is married?" I asked very surprised

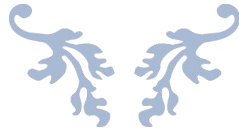

"Yes, from the gist we heard, he got married when he was 24 years old and his wife was just 22".

"Oh Wow!"

Why did I feel that heat from her body? Why does it feel like the internal voice has been shut down?" I wondered

"Who is she?" I asked the internal voice but there was no response.

"Hey, tell Beauty to come clean up Manager's office" I heard one of the mall's supervisors say to my partner.

"Manager's Office?... Was that not where the Woman entered?" I asked myself in fear.

"Beauty, Oya your opportunity to see the fine woman well" my partner teased me

I walked towards the office like I was walking on eggshells.

The moment I opened the door, a strange warmth embraced me.

"Hi" She greeted

"Good Evening ma" I replied

"I am sorry, my son spilled his milk" she apologised

"It's okay ma" I replied

"You are new here! I don't think I have seen you around" She said

"Yes ma"

"Welcome to the family then!" She said smiling.

The Manager walked in ...

"Beauty, what are you doing here?" He asked

"I sent for her, Bruno spilled his milk"

"Oh! In just a few minutes of entering my office, you could not take care of him" The manager replied. It seemed something was not right between them.

"There seems to be trouble in paradise" I said within me.

"I am sorry" the wife replied calmly.

The Manager hissed and walked out.

"Sorry ma" I said

"For what?" She asked smiling

"I mean ..." I was trying to find the right words, but she cut in...

"There is no issue, Pelumi doesn't like Bruno creating a mess in his office. Please continue with your work"

I understood the cue, she simply just told me to mind my business.

I continued and all of a sudden, she burst into tongues....

It felt like a rush of violent wind towards me and I staggered as a result. She thought she scared me.

"I am sorry, please..." She said quickly, shut her eyes and continued...

"Though I walk through the valley of the shadow of death I shall fear no evil, for thou art with me, they rod and thy staff- they comfort me..." She said...

"Anyone representing death around me, around my husband, my son, my siblings, the lighthouse be exposed in Jesus name. Powers that want to introduce death into the life of my husband, his work, or my life or that of my son or into the life of anyone at the lighthouse, swallow your death by yourself in Jesus name"

"Lighthouse again?" This was the second time I was hearing that word.

I wanted to ask her about that name, but she concentrated on her prayers.

"Every Sexual plan to ruin my husband and this organization be disrupted by fire in Jesus name"

"What!!!!?...Who is this fine woman that knows my plan with the voice within and has obviously silenced the voice? " I was amazed

I was about to summon up courage to speak with her, but the manager walked in obviously still very angry...

"Carina, you need to leave!" He said

"Why? I just got here. We came to say hi"

"I am obviously coming home at night." He replied with sarcasm in his voice.

"Okay, but can I finish up the prayer I was praying? I suddenly had the rush in my spirit to pray" She pleaded

"Go pray at home. "he snapped

"And you, why are you stalling?" He asked me

"I am through " I said leaving the office.

As soon as I got out, I shook my head in pity... This man had a good and prayerful wife but here he was sending her away over spilled milk...

It wasn't up to five minutes after I left the office that she also left.

The moment she stepped out of the mall, I heard the thunderous internal voice spit out in anger.

"Finally! She's gone!"

"My Goodness, you are back!" I said In anger.

The thought that came to my head was to pursue that woman and ask to be around her always.

"You don't dare it, I would rather kill you than have you move close to her again" it threatened me and immediately the migraine resumed in full force.

"Stop it, I won't follow her" I succumbed

The migraine disappeared.

"In fact, we leave here now. The Woman has destroyed our plans with her prayers. We can't thrive here for now. The atmosphere is full of fire" the internal voice said

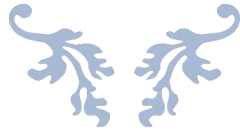

"Out now!" It ordered me.

I stood still, not wanting to obey it and as usual, the migraine resumed. I didn't have a choice. I walked out of the mall.

"So where next?" I asked

"Nowhere, we will hang around for a few days for the fire atmosphere to reduce to what we can bear. You still have to sleep with the Manager"

I walked around aimlessly not knowing where to go.

It was already 7:30 pm.

"Where will I sleep? I need to go back home" I said to myself

"I have a place for you" the internal voice said to me.

"Where?"

"Follow my Directions"

The internal voice began to direct me. I took a cab to the address it had given me. Thankfully, I had money on me to pay for the cab.

On alighting, I stood stupefied by the display of wealth and creativity in front of me. The house that was in front of me was magnificently beautiful.

"Who am I meeting here?" I questioned within

"No one. Just push the gate and enter"

"What?" I asked in utter dismay

"Yes, the house belongs to us. We evicted the former occupants." The Voice replied proudly.

I walked towards the gate and as I pushed the gate, truthfully it opened.

I stepped in and I saw abandoned cars in the compound.

"I hope there are no dogs in here" I asked in fear

"Hunger has killed the dogs" the voice said laughing disgustingly

"Go in" he ordered

"Go in to where?" I asked.

At this point, I was very scared. I began to convince myself that I was actually having a dream, because the Last 24 hours was looking like something from a horror movie.

"I don't think I want to go in" I said

"You have no choice. Go in before you are punished"

"Punished!" I was reminded of my migraine whip.

I obeyed and went through the door.

Dust, Dirt and odour greeted me.

"Go in" The voice urged me on.

I stepped into a once obviously beautiful living room. I could see beyond the dust and dirt. I saw a well decorated living room, the long damask curtain which obviously was initially bright red had become burgundy in colour. The expensive looking sofa sat pretty in the room, but faded.

"Where are the occupants?" I asked

"Over there" the voice nudged me towards a corner. I walked towards there hoping to see humans, but I saw a wedding Frame. It was covered in dust. I wiped it with my bare hands. Revealed was a happy couple. The love for each other was evident in their eyes.

The question remained "Where are they?"

"They are where they choose to be" the voice answered

"Stop speaking in riddles" I said angrily.

"Are you shouting at me?" The voice barked at me and my head spun. I immediately cautioned myself.

"I am sorry!" I replied

"Clean up the house and make it yours, this is your new home"

The voice went quiet.

It was getting very dark and I switched on the light switch, and very surprisingly, the light came on.

I went into the kitchen and got the broom to clean up the living room.

It took me about two hours to clean and in between that time I got introduced to the life of the couple that lived in that house. I saw romantic notes tucked in hidden places.

I saw angry notes tucked in places.

I saw a lot of dry foodstuff in that house and I made some food for myself.

The way I saw everything in that house, it seems to me that the couple must have left the house in a hurry.

"What happened to them?" I asked hoping the internal voice would supply me the answer but nothing.

I slept off in the living room.

The internal voice woke me with a migraine the next morning.

"Up! You need to return to the shopping mall. We have a lot of assignments there, starting with the manager. The fire atmosphere has been quenched"

"Quenched?"

"Yes, the fire of anger has quenched the fire of prayer lit up yesterday "

" I don't understand!"

"When he got home yesterday, we made him continue the quarrel with his wife and by bringing the atmosphere of anger to work this morning, the fire of prayer has been quenched. So get up"

I obeyed, got up, went into the Master bedroom. I got a beautiful gown from the wife's closet. I sprayed some of her expensive perfume.

As I rummaged deeper into the wife's properties, I could perceive she was a woman who had a good life.

I took my bath and set out for work. I promised myself I was going to find out more about the couple when I returned.

"What happened to them and where are they?"

CHAPTER 13

SEXMATICS: THE MATHEMATICS

INSPIRED BY THE HOLY ONE

As soon as I walked into the shopping mall, I could sense a completely different atmosphere; It was thick, filled with anger. I saw a mother spanking her son with no Mercy. I saw two workers insulting each other over something obviously small. I saw one of the supervisors snapping at one of the junior staff. I saw a couple arguing over milk.

"Something is wrong! Why is everyone angry?" I asked my Cleaning partner as I observed more fights...

"I don't know my Dear, but even the Manager came in with the Gbas Gbos (quarrelling) atmosphere when he resumed. He has been finding fault in everything. In fact he asked of you!"

"Me? Why? Does he remember me from yesterday?" I asked

"He said you left without signing out?"

"Oh! I didn't know I was meant to sign out!"

"Then go explain your self, but make sure to take bullet proof to avoid all the bullets coming your way."

"Wow! Is he that mean?"

"Only when he is angry!"

"Ok! Thanks" I answered and walked towards his office.

"This is your moment. Use it well. We have prepared the atmosphere for you." the internal voice said.

I knocked at the slightly opened door.

"Yes! Who is there?"

"It's Beauty Sir, the new cleaner"

"Come in"

I walked in with my head bowed...

"Keep your head high and maintain strong seductive eye contact with him" the internal voice ordered and I obeyed

"You left without signing out"

"I'm sorry sir, I had an emergency to attend to and besides I didn't know I was meant to sign out" I replied still maintaining strong eye contact.

"Now you know, don't let it repeat itself again. You can leave" I turned to leave but his words stopped me in my tracks.

"By the way you smell nice, you smell like you're wearing blue Jordana" He said

I nodded in agreement cause I remembered seeing the name on the Perfume bottle before spraying.

"Yes sir" I replied briefly not wanting to encourage further discussion on the topic.

"Interesting!!! 30ml bottle cost over a million naira, so how on earth is it possible for my cleaner girl to afford it?"

My heart skipped!!!

"Or did you steal it!!"He asked

I turned back to him and noticed he was reaching for his phone.

"He is about to call the police on you, be smart "

The internal voice within me said.

"My story is the story of a child born with a silver spoon but lost her parents to the tragedy of being poisoned and can only have access to her inheritance only when she is twenty-one.

Hence she has to make ends meet by doing odd jobs because wicked relatives and business partners took everything they could lay their hands on. However, in their holiday home no one knew about, there are lots of luxury items that she still uses. That's where she stays hidden from the world" I said.

I couldn't tell where that dark wisdom came from.

"Oh Wow! Sorry about that!"

"Stuff happens, Life happens, but what matters is what we allow to happen to us after Life has happened to us. I have cut off from family and

friends and I have decided to ride solo this vehicle called life" I said again

I was sounding too poetic. I knew that was not me talking.

"You sound very poetic! But that is very intriguing and surprising. I heard people who are exceptionally good in mathematics can't be sound in English, but you seem to have mastered both. Have I employed a genius?"

"No, I am just a girl who was very schooled by her parents. I had the best private teachers. "

"Interesting!"

"My life was very interesting. I was taught basically all the skills I would need in life including

sex for a beautiful marriage. That's how intentional my parents were."

"Say that again!" He said.

I was learning to be a professional liar and evil mastermind. I just rolled out lies without blinking an eye or thinking it through.

"I am sorry if that made you uncomfortable " I heard myself say. " You are a married man and I should not say such around you. I am sorry, I guess I was so excited speaking with someone freely after a long while."

"It's okay, but your story seems too good to be true, how do I know if you are just capping (telling lies)"

"You can drop me off at my house today" Yet again I heard the words roll out of my mouth.

I was gradually coming to terms with the real picture of things and the reality of my job description. I was just a body the evil spirit was using for his evil work.

"Are you inviting me to your house?" The Manager asked.

I maintained very strong seductive eye contact before saying...

"No one doubts proofs" I replied.

A sound disrupted the atmosphere...

It was his Phone ringing... I didn't want to break the look, but he did and I followed his gaze. On his phone was displayed "My prophetess"

"My Wife!" He said to me...

"Oh!"

"Yes! You met her yesterday!"

"My Prophetess! Why such an unromantic name?"
I asked

"It started as a joke, she sees things that happen before they happen, so I started calling her My Prophetess and somehow it stuck."

"I see... but one of the things my intimacy teacher taught me is that wives love when you call them

pet romantic names. Names like My Sugar, Sweetness, Honey, My breath" I said effortlessly.

"Your intimacy teacher taught you quite a lot"

"If you drop me off at home, I could share my notes with you."

"All right, I will come to your home and check out if your story is genuine." He said

I still held his gaze, but suddenly I felt a strong hot wind gently coming towards my Direction. The heat was overwhelming but yet very familiar, it felt like I had felt something close to that before.

My mind quickly took me back to when I had that same feeling; it was when the manager's wife passed by me.

"She's around" I said to myself. The fear of the possibility of being caught in her husband's office gripped my heart.

"This woman must be a god!" I reasoned.

Instincts kicked in as running off was the first thing on my mind...

"I should leave Sir!" I said quickly

"Alright! You can go back to your work." He said.

I couldn't tell what was in the manager's eyes,:
Was it Intrigue or interest?

I ruminated briefly on this, while trying to escape from the approaching fire, a knock interrupted us.

The person walked in and the moment he stepped in, I began to shiver.

"My brother!!!" The voice of the person carrying the heat said.

I had been seeing handsome men in my life, his was different. He walked in majestically glowing like the sun. Two things were happening to me at the same time; Admiration and Irritation.

The Admiration was from me, while the irritation was from the strangers living in my body.

"Pastor Sammy" The Manager responded.

His response was more of a shout laced with guilt, like someone who had been caught doing something wrong.

"My brother! The only sweetheart of my Sister"
The man replied laughing. They rushed towards each other and gave themselves a brotherly hug

"What are you doing here?" Manager asked

"I was in the area and guess who called out of the blues?" He said laughing.

I stood transfixed in awe though I was having the strong urge to run from where this man was.

(If you have been enjoying "SEXMATICS story, then you will love the movie EYE CANDY- A movie that shows how to be free from p#rn,sexual immorality e.t.c. it is showing and trending on our YouTube channel @DEEP THOUGHTS TV. "I can't think of anyone...My Wife? She told you to stop by and pray for the mall..." The manager replied

"Well! Not too far from the truth!" The man replied as they both laughed.

"You know her spiritual sensitivity is very high. She just called and said... Pastor Sammy, I see you are around my husband's place of work, kindly stop by and check on him, I have been unable to reach him. That's what she said and here I am. Can you imagine? How did she know I was in the area.?"

"Oh!" The manager answered. "I saw her call but I was busy. I will return the call as soon as we are done."

"God Abeg. Let the singles breathe. I must marry fire, compassion and beauty." the fire man said

The instant my name was mentioned, I couldn't help but look intently at the man. It sounded personal.

The mention of my name made the manager notice I was still present.

"Beauty, you can leave!" The manager said

"Yes sir! I am sorry" I said

"Hello" the man greeted me.

"Hi Sir" I replied and walked out.

I stood at a corner wanting to feast my eyes on him.

He was there for over 20 minutes. Finally, he walked out and left the Mall.

"He is another one to be far away from" the voice said after being quiet for a while.

"You must ensure you sleep with that man tonight or I kill you"

"Kill me!" I was shocked

"It is not a threat, if you are not useful to me, then I will make you useless to yourself"

When it was 9pm, I knocked at his door.

"Yes come in"

"Where should I wait for you. As a married man, it may look odd driving out with you." I said straight up

He sat back and looked at me. It looked to me like he was fighting the battle of whether to go with me.

"If you are afraid I would cause you marital problems, then we can forget it and you get to take my word for it."

"Give me 15 minutes"

I signed out and waited for him around the corner.

**

A car parked beside me all of a sudden...

"Get in" An unfamiliar but yet slightly familiar voice said.

It was an order!

"I said, 'Get in...' I felt the familiar heat once again. I looked into the vehicle, and it was the handsome man from earlier.

"I have been waiting for you all day," the man said.

"Why?" I asked.

"I know you're waiting for him to pick you up, but that would be your greatest undoing. Get into the car now!" he said.

"Don't get in! Run from him!" The internal voice said. I could sense fear in its tone.

It pulled its trick as usual: the migraine!

"Ha! My head! Get away from me! Your presence is causing me pain!" I said to the handsome stranger as I moved away from him, grabbing my head with both hands.

"I command the headache to disappear by fire in Jesus' name, and I command you, strange power sponsoring it, be chained by fire in Jesus' name!" he said.

The migraine wiped off!

That's the best expression of how I felt. It was like a hand took a duster and wiped the migraine off my forehead.

I couldn't help but look at him and say,

"Who are you?"

"I am a child of God, a son of God, so get in and be safe," he replied.

I obeyed.

He drove off very fast, and I wondered where he was taking me.

After about three minutes of driving in silence, he suddenly parked the vehicle.

"I decided to drive you a little farther from the shopping mall because I want to give you the opportunity to live."

I nodded like a thief who had just been caught.

"That man, your manager at work, is off-limits. You see, his wife kills anything that stands in her way. She has ruthless angels at her disposal."

"I don't understand how this concerns me," I said, feigning ignorance and innocence.

"I saw everything at the office this morning, and seeing that you're young, I thought to help you. I'm not joking. That man's wife is a spiritual authority. She is a great intercessor; she intercedes for nations, so God pays attention to anything that concerns her. This morning, I was on my way to a self-service apartment for a personal retreat. I didn't inform anyone of my destination except my personal assistant. So how on earth did she know I was in her husband's area?"

"I still don't understand how this concerns me."

"Are you playing dumb with me? Okay, let me be plain: Don't try to seduce or date that man. You will end up dead."

"Are you threatening me? I hate threats. They actually make me do the opposite of what people want me to do," I said.

"Oh! Alright then! Get out of my car! I thought you were someone reasonable," the handsome man said, obviously pissed.

I saw a car slowly driving past us, as if looking for someone.

"That's him. He's looking for you. The choice is yours."

I sat in the car, thinking of the best thing to do. I really wanted all this drama to end. I was tired. The last 48 hours had been a whirlwind for me.

"Can you drop me off at my place?" I summoned the courage to ask.

"Good! Where is your place?"

I read the address out to him.

"Funny, I'm actually going to that street. The apartment is on that street."

"Okay."

The man stepped on the gas and drove off. I saw the manager still looking for me.

"Or better still, can you take me home to my parents? I want to go home." I broke down crying.

"Where is your home?"

I told him the address.

"That's about three hours from here. Tell me your story. Why did you leave home? Where are you living now?"

There was something spiritually calming about the man that made me comfortable with him and very open, even though he was firm. Also, I noticed the evil spirits inside me were always quiet and timid around him.

I narrated everything to him, not missing the slightest detail.

"You're not going home. You're coming with me," he said.

"To where?"

"It's called the PowerHouse, an offshoot of the Lighthouse."

"Lighthouse? What or where is this Lighthouse? I met some people yesterday talking about it, and the manager's wife also mentioned it," I asked.

"PowerHouse is where the grown-ups from Lighthouse live together. The lighthouse is where these grown-ups were initially raised and lit up."

He told me about his experience, how he met an 'Uncle Chuks' while in captivity, and how the Lighthouse helped him. He told me that he had a ministry for youths. He mentioned a few names

like Gloria, Ajaara, Kenneth, Mercy, Aunty Favour, Aunty Tina...

He told me my story was similar to that of Uncle Chuks.

He said the PowerHouse was a place of God's power, where young adults who have passed through the Lighthouse live together. He explained that it was a house of prayer and fire.

As he spoke about these two places, I could feel fire in my bones.

"Why are you taking me to the PowerHouse first and not the Lighthouse?" I asked.

"What lives inside you may want to corrupt the little seeds in the Lighthouse. But in the

PowerHouse, those spirits can't corrupt the giant trees, like me."

"I don't understand," I said, speaking timidly.

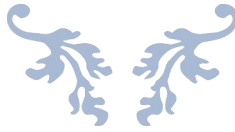

"When you get there, you'll understand..."

He turned the ignition, engaged the gear, and stepped on the gas.

I sat in anticipation and fear of what lay ahead.

I dozed off and had a dream...

"Mercy is around!" I heard the handsome fireman say as I stirred from my sleep.

I woke up from a strange dream and found out we were in a beautiful compound that housed a big duplex. There were about six other cars in the compound.

"We are home!" he said.

He alighted and walked to my side of the car like a gentleman, opening the door.

"Come out."

I obeyed.

"Follow me."

As I set my foot on the ground, it felt like I was at the beach. The atmosphere was cool and very peaceful.

"Is the beach close to this place?"

"No," he answered. "Why are you asking?"

"Nothing."

"Rule No. 1 of the PowerHouse: no secrets!"

"Okay..."

"So, why did you ask about the beach?"

"Everywhere feels cool."

"That's the presence of God!"

"Oh, okay."

A young man walked out of the house and met us.

"Pastor Sammy! What happened? Why are you back?"

"I wasn't meant to go on a retreat, I was meant to meet her."

"Oh! Hello. Apologies for my lack of courtesy. I am Friday."

"Beauty," I replied.

I didn't get the usual response I get from men when I tell them my name.

It's usually an approving look from head to toe, as if to say, 'You do justice to the name,' but this gentleman didn't think twice about it or my physical appearance.

"Where is everyone?"

"In the living room."

"I can see Mercy's car."

"Yes, she came to make her hair. You know it's only Gloria she permits to touch her hair..."

"Gloria is around too?"

"Yes, we have a full house!"

"Awesome! All things work together for our good"

I followed quietly behind, and the kind of love I saw displayed the moment we walked in was something out of a fantasy. They jumped on each other, laughing and playing. It looked like a playground for kids.

I noticed a lady—who I later found out was Gloria—had a particularly soft way of looking at Pastor Sammy.

"There's someone I want us to meet ooo," Pastor Sammy said after pulling himself out of the fun.

"Beauty... This is Beauty, everyone. She needs our help!" he said.

They all looked confused. Then the lady, Mercy, asked, "What kind of help?"

"James 5:14," he replied.

"Oh!" They all understood, but I was lost. I didn't know what was written in that scripture.

"When?" Friday asked.

"ASAP."

"For how long?"

"Minimum of seven days. It depends on what we find in there," Pastor Sammy replied.

It felt like they were talking about a patient, and they were a group of doctors.

"Based on my discussion with her, which I will brief you all on, it's an intense case that might even extend to 21 days. But let's start with seven days first," he said, and everyone nodded in agreement.

"Hello, Beauty. My name is Mercy. I don't live here, but I might come on some of the days of your program. Like tonight, I will join in. I'm a

married woman." Mercy said emphasizing the last part jokingly as a way of making the others jealous...

"Let the singles breathe!" Gloria said loudly while the others laughed.

"Oh! Nice meeting you!" I replied Mercy.

"I'm Ajaara." A beautiful tall lady said

"Gloria." Gloria said

"Grace."

"Rufus."

And about twenty others introduced themselves to me.

At the end, I could only remember five of the names. I was more interested in what they wanted to do to me and why it had to be for seven days.

"What am I going to be doing here for seven days?" I asked.

"Go freshen up and rest for a few hours. By midnight, we'll wake you up and explain everything," Pastor Sammy said.

"Miss Dorcas, please help take her to Miss Grace's room."

It was evident that Pastor Sammy was in charge of the house. I noticed Gloria waiting to speak with him.

I entered the room and saw two student beds. One was fully occupied with folded clothes and books, while the other was obviously mine.

"Miss Grace, Pastor Sammy said I should bring Beauty to your room," Miss Dorcas said to the obviously empty room. I was initially afraid until I heard a reply from the toilet.

"Okay, please get her comfortably seated. I'll join her soon," came the voice from the toilet.

I sat on the empty bed, but suddenly had the urge to lie down, so I did.

I fell asleep and had a second dream. I know I haven't written about the first dream yet, but I will soon.

I saw myself in a large boardroom....

CHAPTER 17

*SEXMATICS: THE MATHEMATICS

INSPIRED BY THE HOLY ONE*

I woke up in response to the patting of my hand by the person I shared the room with.

"It's time?" She said

"Time?" It took me a few seconds to gather my thoughts. I looked around and remembered where I was.

"It's 12 midnight?" I asked

"Yes.! "

I started hearing the sound of the piano.

"Ok!" I answered

I got up from the bed and followed her out of the room.

The moment I stepped into the living room, I knew I was in for something extra...The feeling was electrifying.

I started hearing different tongues...

The room had everyone in it and their eyes were shut. They were speaking in tongues. The tongues sounded like gunshots in words.

I wanted to run out of the room.

"Run! Run! They want to kill you! They are cultists" the internal voice sounded more like a whisper. "Leave here, run away!"

Pastor Sammy waved at me at that moment and signalled that I come sit close to him on the floor where he sat.

One of the Men in the room started singing a familiar worship song...

"You are Glorious..

So Glorious in your ways!

You are Glorious!

So Glorious in your ways.

Yahweh EEE Yahweh eeee,

You are Glorious so Glorious in your ways"

"For we sing Holy Holy

Holy is your Name

For we sing Holy, Holy

Holy is your name"

"You are Glorious

So Glorious in your ways!

Elohim Adonai

Aaaahhh Elohim

We hail you!

We worship you!

We hail you Most High!

"You reign.

You Ancient Zion's King

Kadosh Kadosh

You are mighty on your throne"

The worship was becoming overwhelming. I started shaking visibly, it seemed to me like I was placed on a vibrating machine... I wanted to stop vibrating but I didn't have the ability to stop myself. That made me start crying. I didn't know what was happening to me.

I was sobbing profusely.

I laid on my side sobbing as they continued Worshipping. They were lost in the worship. They were enjoying the Presence of God. I could see joy in their faces as they worshipped...

They were calling God beautiful names. Names like El-Shaddai, Abba, Brightness of this world, Light of our lives, Our Place of Refuge, Jehovah, Father to the fatherless...As they called these names, my mind was picturing God In that light. I

had never seen him as my Father, I had never seen him as a friend, the name that struck me most was when one of the ladies called Him " My forgiver, The Forgiver of my sins"

My sins and the recent murder flashed through my mind. My crying intensified.

I was an evil person. If sex outside of marriage was really a destroying exercise, I had destroyed a lot of lives then. My mind travelled back to my secondary school days. I thought of all the innocent boys and girls I influenced negatively. Tears poured out of my eyes in no small measure.

It suddenly made sense, some of the girls got pregnant and had to leave school, some of the boys became unserious. I didn't think much of it back then, because then, though I was engaging in immorality, I was still a very good student.

I thought of all the male teachers, male non teaching staff, I had something to do with. It was not looking good at all.

As I lay there sobbing, I couldn't help but wonder about the number of evil spirits I must have received and shared in those years. I thought about the people walking on the streets not knowing who or what they were carrying about. If not for the sex with my married neighbour that exposed my act, I would have continued living like nothing was wrong and just like the elderly prophet had said, those evil spirits would be waiting for their different maturity dates or probably slowly killing or afflicting me.

"In Jesus name we pray" I heard Pastor Sammy say.

"Amen" Everyone chorused.

"Beauty, Please Sit up!" He called my name.

I felt too paralysed to sit up. I tried lifting myself up but I fell back.

Two of the ladies sitting close by helped me into a sitting position.

"Sorry Dear!" Pastor Sammy Said.

"Like I told you about the powerhouse, we do not keep secrets, I have briefed everyone about your story. Do not feel ashamed, everyone here has a past and in the course of your time here, you will hear their individual stories. We are not ashamed to talk about it because we have our victory already. You asked why I couldn't take you to the Lighthouse, and you explained about meeting our mentors, who one of them would not let you follow them."

I nodded in response.

"I also put a call through to them and they attested to your story of meeting you. Aunty Tina explained why she let you off the bus, which is exactly the same reason why I didn't want you going to the lighthouse."

I wanted to know the reason.

"Beauty, you are sick and the Lighthouse has a lot of vulnerable children and teenagers there. If you go there, you may infect them."

"Sick? I am not sick!"

"Spiritually you are...You need divine healing. Anyone carrying strange spirits is not in their best shape. It's like having viruses in your body. You need to take anti-virus to flush the virus out. "

"Hmmm..." I understood what hewere saying.

"So what anti-virus will you be giving me?" I asked

"The Holy Spirit is the anti-virus against all kinds of evil spirits. When the Lord richly dwells in you, evil can not stay. The Bible tells us that God is light and there is no darkness at all in him, so if God dwells in you, anything called darkness flees."

"How can I get the Holy Spirit?" I asked. I wanted this whole thing to end. The internal voice had been a bit quiet.

"Through Prayer! The Bible says in Acts 2: 1-4 that When the day of Pentecost was fully come, they were all with one accord in one place...Praying and suddenly there came a sound from heaven as of a rushing mighty wind, and it filled all the house where they were sitting. And there appeared unto

them cloven tongues like as of fire, and it sat upon each of them. And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance."

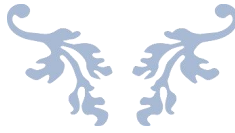

As he quoted that scripture, I felt an electric wave pass through me from my head down to my toe.

"Prayer brings down the Holy Spirit! " Pastor Sammy explained

"Let me further show you something from the scripture... Can someone please pass a Bible to her" Pastor Sammy said and Gloria rushed to give me her Bible.

"Please Open to James 5:13-20. I want you to read this scripture yourself. It will answer all your questions."

Gloria helped me in opening the scripture.

"Is anyone among you in trouble? Let them pray. Is anyone happy? Let them sing songs of praise."

"Hold on... Let's break that down... According to this, we are told that If anyone is in any form of trouble, they should do what?" Pastor Sammy asked

"Pray!" I replied

"Meaning Prayer is the way out of all forms of trouble; spiritual troubles, sexual trouble, financial troubles. As long as you can pray to God, you will escape all troubles. Also the second part of that verse says when you are happy you should sing songs of praise to God, because He has helped you out of your troubles."

"Hmm..."

"Let's continue with the reading" He said

"Is anyone among you sick? Let them call the elders of the church to pray over them and anoint them with oil in the name of the Lord."

"Remember, I said you are Sick, Bible instructs that when someone is sick , the elders should pray for that person. The elders here is not necessarily by age, it is by growth in the things of the Spirit. In this case, we will stand as the elders and pray for your healing"

"Oh!" It made sense at that point. They were going to pray for me.

"Oh! You are going to pray for me to chase out all the evil spirits?" I asked

"Yes and you also will pray for yourself. We are just to support you in prayers"

"Thank you." I really wanted the evil spirits out of me"

"Let's continue with the reading."

"And the prayer offered in faith will make the sick person well; the Lord will raise them up. If they have sinned, they will be forgiven."

"Did you understand that well? Beauty, God is ready to forgive all your sins, don't look down on yourself, don't condemn yourself. You have to pray in faith for your forgiveness and healing"

"Let's continue "

"Therefore confess your sins to each other and pray for each other so that you may be healed."

"That is why it was important for you not to hide anything from us. Here at the powerhouse, there is the rule of accountability, we expose our mistakes to each other and it helps to pray together and be our neighbour's keeper"

"Ok!" I was loving the way this Pastor Sammy was simplifying the Bible for me.

"Next verse?" He called my attention back to the scripture

"The prayer of a righteous person is powerful and effective."

"So though we have learnt that prayers takes us out of trouble, it is the prayer of a righteous person." He pointed out

"Who is a righteous person?" I cut in, because I knew I wasn't, and if I wasn't a righteous person, it meant my prayers would not be effective.

"A righteous person is the person who gives his life to Christ and pursues holiness. He does what is right in the sight of God!"

"How do you know what is right in the sight of God?" I asked

"By Studying the Bible. Everything you need to know about God is in there! Plus when you have the Holy Spirit in your life, He will be guiding you"

"Hmmm...Christianity is really not that hard!" I said. I didn't know I uttered it out

"It is really not hard. It is a way of life. Christianity makes us powered up, which is in the next verse. Kindly read it"

"Verse 17 Elijah was a human being, even as we are. He prayed earnestly that it would not rain, and it did not rain on the land for three and a half years." I read and one thing I noticed was that as I read the scripture, I was receiving strength.

"Continue" he said

"Verse 18... Again he prayed, and the heavens gave rain, and the earth produced its crops."

"Ayaaa! Elijah was a human like us, but with the power of prayer, he stopped rain from falling for

three years. And again he prayed, and released the rain. The power we have in Christianity is limitless. With prayers backed up with faith, you can send a demon back to hell. You can destroy the hold of addiction over your life, you can tell the devil to shut up and he will obey.!" Pastor Sammy charged. By that time, everyone except me had burst into tongues.

"Let's read the last two verses" Pastor Sammy said

"My brothers and sisters, if one of you should wander from the truth and someone should bring that person back, remember this: Whoever turns a sinner from the error of their way will save them from death and cover over a multitude of sins."

The last part hit my heart...

"...*Will save them from death and cover over a multitude of sins*" these words echoed in my heart...

"Does it mean if these people prayed for me, they could deliver me from the Spirit of the grave living inside me and also cover all my multitude of sins"

"I love everything I am hearing, where do I start from?" I said

CHAPTER 19

*SEXMATICS: THE MATHEMATICS
OF SEX © Opeyemi Akintunde...
INSPIRED BY THE HOLY ONE*

"I love everything I am hearing, where do I start from?" I said

"Repentance for all the sins committed from your childhood till date. God gave you life, so for not living that life to glorify Him, you need to ask for Mercy, Bible says If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness..."

"As you pray for forgiveness, we intercede the same for you"

I opened my mouth to pray, but no words poured out. Instead tears flowed without me feeling ashamed...

" Though He hears the words behind the tears, It won't be easy, but you need to speak it out."

"I am sorry...I have been a sinner, messed up too many times, is there still hope for me. Forgive me and purify me from all unrighteousness..."

The people of powerhouse were praying for me. Asking for Mercy for me...It was sounding like a unified chant...

"Mercy!!!"

"Mercy!!!"

I cried my eyes out and suddenly I felt an overwhelming covering of peace over me. It felt like God walked in and covered me up with a warm blanket. It was the literal representation of that scripture of 'Covering a multitude of sins'.

It felt like he forgave me of all my sins, like it was wiped off the slate.

I thought we were going to pray about the demons but I was shocked after two hours of prayers of Mercy that Pastor Sammy told us to thank God for His Mercy and share the Grace.

He noticed the look on my face, he smiled and said...

"We have done the most important thing, tomorrow we continue"

"I had two strange dreams, I want to tell you" I said

"Oh! When?"

"The first one was on our way here, while the second one was when I slept briefly before the vigil."

"Ok, Let's share the Grace first, some people have to go to work in the morning "

The group shared the Grace and I was left with Pastor Sammy, although Gloria waited at a corner. I was tempted to think they were in a relationship, but that was the least of my worries.

"I am with you!" He said calling me back from my distracted thoughts.

"In the first dream, I saw myself in a beautiful street, I saw different kinds of houses there, they looked very exquisite. Interestingly, people's name were on the house.

I saw a house with my name on it. It was very beautiful, I saw the security man that stood at the entrance. He was looking tattered, dirty looking. He could honestly be mistaken for a mad man.

As I walked into the compound, I began to see a lot of terrible looking creatures, they were smelling, I saw some defecating in an open place, some passing out urine on the wall of the house. I saw some sitting on the floor and playing with faeces.

I walked into the house and met the most shocking scenario of my life, the inside of the house was a far cry from the exterior, from cobwebs to poop, to vomiting, to strange looking beings.

I started shouting "this can not be my house" and I woke up."

"Hmmm...That house signifies your life. The book of Mathew 12, tells us how our lives are houses in the spiritual realm. Let's read it together, Read verse 43-45" Pastor Sammy said

"43...When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest, and findeth none. 44...Then he saith, I will return into my house from whence I came out; and when he is come, he findeth it empty, swept, and garnished."
I read

"So demons see our bodies as houses. When they are sent out of the bodies, they fight tooth and nail to go back, because it is home for them."
Pastor Sammy explained

"So that house in your dream is Your life and all those dirt in there are the strange demons you have contacted through sex. " He continued

"Ha! Is that how dirty my life is?" I asked in disbelief.

"Unfortunately Yes!" he replied

"And I look beautiful on the outside!" I said

"Yes! The mystery about life is that a person can look beautiful in the physical realm, have good skin on the outside, but in the spirit realm the person's skin is full of boils and evil rashes. You will see some ladies spending hundreds of thousands even to millions to beautify their skins or bleach their skins in order to attract men, unknown to them what men perceive when they see them is their spiritual state. They become irritated when they see them. In the end,

nuisances, men who are lesser than them, tend to be the ones asking for their hands in marriage."

"My God!"

"So, Today you have asked for Mercy which is the first thing to do because Scriptures tells us that the prayers of a sinner is an abomination to God. Since we have cleared that, from tomorrow night we will start the purification process. However, throughout today I will give you some scriptures you will be confessing. Also, for the next three days, you won't be eating. You will only be drinking water."

"Fasting? Why?" I wanted to know why fasting was important in this deliverance of mine. I was reminded of the first prophet who my mother took me too. He also wanted me to fast.

"Fasting empowers your spirit man to be active and on fire to fight your battles. It makes you light. When we eat, we are usually weighed down, we tend to sleep, we tend to be sluggish, but when we are fasting, our flesh is under subjection and our Spirit is in control. Our Spirit is able to connect better with the supernatural. Also demons and evil spirits cannot stand your charged atmosphere when you are fasting, that's why they discourage people from fasting. "

"Ok!" I understood better.

"Alright, you should go to sleep. I will write out the confessions and send one of the sisters to give you in the morning." Pastor Sammy said

"Ok. Thank you!"

Pastor Sammy stood up and walked towards Gloria. I watched the way her eyes lit up.

"Who wouldn't want to marry a firebrand like him?" I said to myself.

"You know if you sleep with him, it could chase away all the demons from you " the invisible voice said to me.

Anger rose in me!

"Will you shut up!" I didn't know where the confidence came from.

The Migraine!

It hit really bad, but the internal spirit was in for a shock ...

"Is that all you've got? Newsflash I am now born again and old things are behind me. Give me all the migraine you want, I will not obey you anymore. I'd rather die than obey you!" I said out loud as I held my head

"Beauty! " Pastor Sammy and Gloria had rushed towards me.

"Who are you talking to?"

"The voice was telling me to sleep with you! And I told it I'd rather die than do that!"

Gloria froze! I knew instantly I had lost her vote. Pastor Sammy smiled instead.

"You can't sleep with me. The devil is only messing with your mind. He knows your deliverance is about to happen, so he is trying to push you out of

it. In the Mighty Name of Jesus, you foul voice speaking to the ears and mind of Beauty, by the authority in the name of Jesus, Be Silenced Now and forever!" Pastor Sammy said and instantly the Migraine disappeared.

"Come sit!" He said.

Gloria had somewhat distanced herself from us.

" Never tell the devil, I'd rather die than listen to you. There is power in our tongue. You have more authority than the devil, you are a child of God, the devil is just a fallen angel and those demonic voices you hear are from him, therefore it is an insult on your kingdom inheritance to tell the devil you will rather die than obey him. That was the mistake Samson made when he asked for power to destroy the Philistines and die with them.

As a Child of God, when such strange voices threaten us or attack us, we war against it. You should command it to die."

"Ok! Thank you!" I replied

I could see the way Gloria was looking at me. I could see a lack of trust.

"Good Night Gloria!" I said

"Good Night!" she said semi coldly.

CHAPTER 20

*SEXMATICS: THE MATHEMATICS
OF SEX © Opeyemi Akintunde...
INSPIRED BY THE HOLY ONE*

I choked on my saliva forcing me to wake up.

"Stand up and follow me now!" I saw Gloria standing in front of me.

I obeyed.

She started walking towards the living room and I watched her open the door.

"Where are we going?" I asked

"Keep quiet and follow me!" She said angrily

As we stepped out of the house into the compound, I quickly reasoned out what she wanted to do: She wanted to chase me out of the house just like the other woman chased me out of the bus.

"No!" I was not planning to go this time around. I wanted my deliverance.

One of the quotes that shaped me academically came to mind...

"A man who is lazy and unserious, no one can help, but a man who is determined, no one can stop"

I had to show my determination to be free.

"I am not going anywhere! Pastor Sammy! Pastor Sammy!" I started screaming

"Shut up your mouth! No one can hear you!"

"Pastor Sammy! Pastor Sammy!" I screamed even louder, but no one rushed out of the house.

"Idiot! I said no one can hear you, you think you can just be free? Do you know how many of us live in you? Where do you want us to go?"

I didn't understand why Gloria was speaking to me like that, was Gloria also possessed? At that point the only name that made sense to call was Jesus!

"Jesus! Jesus! Jesus! Fire of God! Fire of God!" I shouted

"Shut up!"

I suddenly started hearing approaching footsteps...

"Beauty!" I heard Pastor Sammy's voice.

I looked back and my eyes met a rude shock. Gloria was standing beside him.

I looked at the first Gloria and she was standing in front of me with an angry look on her face.

"What's wrong?" Pastor Sammy asked.

"Her! Gloria! She ...is two?" I spoke incoherently pointing at the first Gloria.

"What are you talking about?" Pastor Sammy asked

"Can't you see her?" I said pointing at the wicked Gloria.

"There is no one?" Pastor Sammy said

"There is Gloria in my front! She came to wake me up to leave here" I said emphatically

I was seeing two Glorias. There was nothing anyone could say otherwise.

"Whoever you are, reveal yourself in Jesus name" Ajaara said

Immediately the wicked Gloria changed into a dirty ancient looking woman. I ran back and hugged the nearest person to me, who was unfortunately for me Pastor Sammy...

"Jesus! Jesus!" I screamed

"What is it?" He asked

I stuttered...

"She changed....her...her prayer changed Gloria to an old woman... can't you see her?" I asked. Why was I the only one seeing this?

Gloria could not hide her disgust! She went back inside. Ajaara and Mercy followed her.

"I don't trust her! Pastor Sammy has to be careful!" I heard Gloria say as they went in.

"We better don't fall for all that theatrics." She said.

I felt bad, I felt wounded! I thought the place was a place of love.

"I am not pretending!" I said to Pastor Sammy. Tears flowed from my eyes. Regrets set in. I hated the me I was.

"I know you are not! I will speak to Gloria. We have had bad experiences in the past, where fraudsters pretended to be new concerts. Don't worry she will come around."

I nodded.

"Go back in and catch some rest." Pastor Sammy said.

We walked back into the living room and I checked the wall clock, it was 2:45am.

"I have not told you the second dream I had"

"Do you feel you have to tell me now?"

"Yes! Please"

"Ok, I am all ears"

"I saw myself in a large boardroom. It was as if I had been summoned to answer questions. The man at head of the table said ...

"Beauty, what do you think you are doing among those people?"

"Which people?"

He pointed his long dark painted finger towards a projected screen, and the faces of everyone here was shown in slides.

"They want to help me?"

"Help you? Help you do what exactly?"

"I have a lot of evil spirits in me and they want to chase them out!"

"By Evil Spirits you mean us!" The man said pointing at over twenty of them in the room. They all looked elderly.

"Do you think these small things can evict us from your life? Not forgetting all of our tribes. I have 1000 under me, same with them. So you can imagine how many of us live inside you. We would rather kill you than leave you."

"That was when I woke up" I narrated the dream to Pastor Sammy and for a few seconds there I could see fear, confusion. I couldn't tell exactly what it was.

"The dream is similar to the first one. The dirt are the figures you saw in the second dream."

"That means I have over 20,000 evil spirits living inside of me" I asked as the realization dawned on me.

"It is very likely based on the dream!"

"All because of Sex?"

"Sex is a powerful access point or gate to a man's life. The devil can get access through our eyes, mouth, ears, skin and private organs. They are all gates into our inner man. That's why we must guard it!"

"But if I have 20,000 evil spirits inside of me, why am I still sane?"

CHAPTER 21

*SEXMATICS: THE MATHEMATICS
OF SEX © Opeyemi Akintunde...
INSPIRED BY THE HOLY ONE*

"But if I have 20,000 evil spirits inside of me, why am I still sane?"

"You think you are! There are what we call cryptic demons."

"Cryptic Demons?" I asked

"Yes! They hide themselves. They can hide in a person's body for years waiting for the day to

manifest. You hear ugly stories of women dying on the day of their delivery, the cryptic demon of death may have been in their bodies since childhood..."

"Can I be delivered from 20,000 demons?"

"I know of a Man that got delivered of a legion of demons "

"Really?"

He brought out his phone, scrolled and gave it to me... Read..Mark 5:1-10" He said..

"1...So they arrived at the other side of the lake, in the region of the Gerasenes. 2...When Jesus climbed out of the boat, a man possessed by an evil spirit came out from the tombs to meet him. 3 This man lived in the burial caves and could no

longer be restrained, even with a chain. 4 Whenever he was put into chains and shackles—as he often was—he snapped the chains from his wrists and smashed the shackles. No one was strong enough to subdue him. "

As I read on, I was seeing myself like this man, the evil spirits in the man had empowered him and given him unusual strength, just the way I was able to sleep and even got raped by multiple men and yet I was not tired. I also remembered how I was able to kill the man single handedly.

"Continue..." Pastor Sammy touched my elbow.

"Verse 5 Day and night he wandered among the burial caves and in the hills, howling and cutting himself with sharp stones."

That struck a cord too, the evil invisible voice had been making me to wander around. Evil Spirits are

wandering spirits, their aim is to make a man useless.

I was about to continue when Pastor Sammy stopped me.

"So far what have you understood?" He asked like he had been reading my mind.

"A few...Like evil spirits will make you empowered to do the wrong things. For instance, the evil spirit gave me unusual strength to have sex with multiple partners, which opened me up for more demons. It is like they set me up. Also evil spirits will make you run away from home, make you wander around, make you jump from one house to another, from one relationship to another, evil spirits never have any good thing in mind for the carrier. "

"Excellent! Any other one?" He asked

"None for now..."

"Alright, let me give you one. Verse 5 reads that Day and night he wandered among the burial caves and in the hills, howling and cutting himself with sharp stones. You have talked about wandering around, but you have forgotten the part of cutting himself with stones. Evil Spirits will push you to destroy your own body. As you are being used to transfer demons through sex, you are cutting or damaging your own body. Your body is wearing out, you are losing vitality, you are exposing your body to Sexually Transmitted diseases that will reduce your years on earth."

"Wow!"

"Beauty, the devil does not use a man for the man's own good, but to his own detriment, only God uses a man for the man's good. When God uses you to minister to people, He Glorifies you.

but when the devil uses you to destroy people, he destroys you as well"

"I want to be used by God, I want all of these demons to leave me."

"Yes, that's why the purification exercise is important... before we complete this scripture, Quickly read this... 2 Timothy 2:21."

"Therefore, if anyone cleanses himself from these things, he will be an implement for honor, sanctified, useful to the Master, prepared for every good work." I read

"Do you understand it?"

"Yes, If I can undergo the purification and purge myself of all these demons, I will become an instrument in the hands of God, a honourable one

to be used for Good Works not bad works like what the devil does with me"

Pastor Sammy clapped...

"You are very smart, Beauty. Your brain works really fast." He complimented.

"I attribute it to the calculative mind I have, it thinks really fast"

"Attribute it to the giver of the brain!" Pastor Sammy Corrected

"Yes!"

"So let's complete the story of the man with the legion of demons" He said...

I picked up from verse 6;

"6 When Jesus was still some distance away, the man saw him, ran to meet him, and bowed low before him. 7With a shriek, he screamed, "Why are you interfering with me, Jesus, Son of the Most High God? In the name of God, I beg you, don't torture me!" 8 For Jesus had already said to the spirit, "Come out of the man, you evil spirit."

"The man on seeing Jesus ran to him, and Jesus commanded the evil spirit in him to leave, but the demon spoke begging Jesus not to chase him out."
Pastor Sammy explained further

"Verse 9...Then Jesus demanded, "What is your name? And he replied, "My name is Legion, because there are many of us inside this man." I read...

"So you see, this has happened before in scripture and if you read further down this scripture, you will realize Jesus sent them all out. So Beauty, even if you have two million demons inside you, Jesus can chase them out. All you need to do is run after him, and submit yourself to him for help like the man ran after Jesus and bowed before him"

"I am ready to submit to him, and ask for his help"

"Amazing... If you notice I didn't ask you to pray the Sinner's prayer all along, that's because I wanted you to understand who Jesus is, and accept Him with that Understanding... Bible states that Healing is the Children's meat, but if an unbeliever has someone a believer interceding or praying for him, he can get his/her healing, but it may not be permanent if the person prayed for does not know God personally"

"I want a permanent deliverance"

"So are you ready to fully commit and surrender to God with your body, soul and spirit. Are you ready to Accept Jesus as your Lord and personal saviour?"

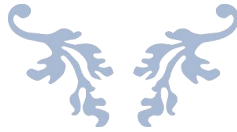

"Yes!"

"So talk to God yourself... Good night!" He said and left me in the living room.

CHAPTER 22

SEXMATICS: THE MATHEMATICS OF SEX

© Opeyemi Akintunde...

INSPIRED BY THE HOLY ONE

AUNTY FAVOUR'S POV

I saw myself in a big farm and I saw Ajaara, Sammy, Mercy and faces from the Powerhouse cutting down branches from a big tree. The tree was very enormous. I saw Gloria standing akimbo, not joining them in what they were doing.

I walked up to Gloria as the others were too busy to notice me.

"What's happening here?" I asked

"Pastor Sammy brought this huge tree for us to trim and groom and I have a very bad feeling about it, I have a feeling he will get injured while trying to cut the branches "

"Oh!"

"Aunty Favour, you have a chainsaw, please can you bring it, you have the experience to deal with cases like this."

I woke up from my sleep.

I instantly knew what the dream meant. Pastor Sammy had called me the previous night to ask

about the girl Tina sent off the bus. They told us they had taken her in and wanted to help her. I was happy they were extending all they had learnt from the Lighthouse to others, especially since Pastor Sammy had his own interdenominational ministry.

However, this dream was indicating the case was going to be bigger than them.

I heard my phone beep. I checked and immediately I saw the sender of the message, I smiled, I knew what was coming...

It was Gloria chatting me.

"Aunty Favour, Good Morning, So sorry to chat you up this early; please on your way to Lighthouse Academy please stop by the Powerhouse. Please!"

I smiled! God had informed of the situation prior to her calling.

I could read a bit of Jealousy in Gloria's text, we all know how much she loves Pastor Sammy, unfortunately Pastor Sammy doesn't seem to be attracted to her. It's Ropo who loves Gloria to heaven and back.

I laid back on the bed speaking with the Holy Spirit.

"God, what do you want me to do"

"Breaking of Soul ties." I heard the Lord say to me.

"1 Corinthians 6:16- Do you not know that he who unites himself with a prostitute is one with her in body? For it is said, 'The two will become one flesh.'" I quoted the Scripture put in my heart for her.

"Thank you Lord!"

I spoke in tongues for another thirty minutes before going back to bed.

BEAUTY'S POV

I woke up around 6:30am when Grace; my roommate was leaving. She dropped a sheet of paper with me and a Bible...

"Pastor Sammy said you should confess those scriptures and by 8am, you should join in the living room."

.....

"Psalms 31:2 Bow down thine ear to me: deliver me speedily: be thou my strong rock, for an house of defence to save me. Amen" I read the first confession

"Isaiah 58:8 "Then shall thy light break forth as the morning, and thy health shall spring forth speedily, and thy righteousness shall go before thee: the glory of the Lord shall be thy reward."

Ps 102:2 " Hide not thy face from me in the day when I am in trouble, incline thy ear unto: in the day when I call, answer me speedily..."

I still had about seven more scriptures to read, but I heard a loud scream from downstairs. I rushed to see what happened...

From the balcony, I saw the house-mates rush to hug a woman. She was familiar.

Yes! The woman who got me on the bus.

A lady saw me and whispered...

"Sis, go dress properly" she said in a nice way

I realized I was tying a wrapper Grace had given me when I came to sleep earlier.

I walked into the compound of the Powerhouse with Mr George.

The moment I entered the compound of Powerhouse, I could see that the dream was very correct. I saw different invisible Spirits hanging around. They looked very angry.

Grace walked out of the house, on seeing me she screamed. She was so excited to see me. That attracted the attention of others.

"Aunty Favour is around!"

"Aunty Favour!"

"Aunty Favour!"

Mercy also walked out with Ajaara.

"Mummy, what are you doing here?" My Daughter Mercy asked

"That should be my line!" I replied

"I came to make my hair"

"What of my grand-baby?" I quickly asked. I didn't want Baby Faithful here.

I could see what Tina had perceived by letting the girl off the bus. Little children and teenagers could

be easily possessed, so if the girl had been taken to the lighthouse with all these demons, it would have been a calamity. I thought silently.

I was ushered into their living room, by that time Sammy had joined us...

"Aunty Favour, you didn't tell us you were coming!"

"I had a revelation and it was necessary to stop by on my way to the Academy"

"Ok?"

"Where is she?"

"She?"

"The girl?"

"Oh! She is ..."

"I am here ma," the girl walked towards us and what I saw was a battalion of faces... I saw different faces of different men, boys, girls, women, old women changing swiftly on her face.

"Jesus! " I said under my breath. It was a serious one, very scary and irritating. The young lady had multiple people living inside her. I was moved to tears.

"How old are you?"

"16"

I shook my head in pity.

"Sit!" I said to her, but then I noticed the various stares and I faced everyone...

"God bless you all. You can go to work or go back to whatever you were doing, I just need Pastor Sammy, Ajaara, Gloria, Friday"

They were all waiting to see the wonder of God, but I didn't need a lot of crowd around. Mercy gave me a questioning look...and I whispered ...

"Go home, you are a nursing mother"

CHAPTER 23

SEXMATICS: THE MATHEMATICS OF SEX

© Opeyemi Akintunde...

INSPIRED BY THE HOLY ONE

When the crowd had gone, I faced the girl squarely...

"Darling, I have only 1 hour to spend here. I can see the readiness in your spirit, and that is the first step towards your deliverance. So you need to cooperate with me. We are going to pray seven prayers that can deliver you from all these Captivity.

I saw multiple people living inside of you, and the Lord had given me this scripture for you earlier this morning ... 1 Corinthians 6:16"

The girl nodded and before I quoted she said...

"Do you not know that your bodies are members of Christ himself? Shall I then take the members of Christ and unite them with a prostitute?"

"Interesting, you know the scripture?"

"The first prophet my mother took me to told me about it and it stuck in my brain. He called it the mathematics of sex. He said 1+1 in sex is 1"

"Perfect! Exactly... The scripture makes us to understand that when a man and a woman come together, they become one. So if you sleep with a man now, you become one with him,

automatically, every negative spirit they carry are transferred to you, even positive traits can be transferred. Meaning if a man has 10 spiritual problems in his life, and a girl has 5 spiritual problems, by having sexual intercourse using the 1 plus 1 calculation, the man will automatically have 5 added to his 10 making him possess 15 problems, and the girl likewise how many does she have...?"

"15 also!" She answered...

"For the sake of more understanding let's call the Girl A, and the Boy B, so when Girl A sleeps with Boy B, she becomes, AB, while the Boy becomes BA.

If by any chance, Boy BA meets girl C who has 25 spiritual problems and they both have sexual intercourse, by virtue of the mathematics of sex, Boy BA, becomes BAC($15+25=40$ problems) and

girl C will become...?" I asked to know if she was following...

"CBA, her 25 problems plus 15 from the boy "

"Excellent... so let's do one more.. What if girl CBA. meets a boy who has had multiple sex partners XYZ totalling 150 spirits, problems, spells... so by having sexual intercourse with him, how many does girl CBA now have?" I asked her

"190!" I saw tears dropping from her face...

I was a mathematics genius, but my mum never thought me about the danger in sex and the mathematics involved. Now I understood why I have over 20,000 spirits in me. I have people living in me; all the secondary school boys I had sex with, the married men, the uncles...

"Can I be delivered, from all these soul ties with all these people and can all the evil spirits I collected from them leave me"

"Yes! We are about to pray! Rise up!"

" *Deliver Me*

Deliver Me

Deliver Me Oh Lord

By Your Power

By Your Fire

Deliver me Oh Lord! In the Name of Jesus"

She sang the song like a military song, and I noticed the others joined in...

"Sing it!" She said to me.

I saw how militantly they were singing it and they replaced the "me" to 'her" as a way of praying for me...

I sang it vigorously. I decided to concentrate singing the song with understanding.

Deliver Me

Deliver Me

Deliver Me Oh Lord

By Your Power

By Your Fire

Deliver me Oh Lord! In the name of Jesus"

She raised another song....

"Come by Fire

Come by Sword

Come by Fire

Come by Sword

Fight my battle for me in the name of Jesus "

We sang that for another 4-5 minutes.

I had started feeling some burning sensation all over my body. It felt like a peppery substance had been poured on me...

I didn't know when I started uttering " Fire! fire!" because that was the feeling... I felt literal fire all over my body...

"Yes, the fire of God increases all over you, burning off strangers of darkness in your body. Bible says your body is the temple of God, and the temple of God carries fire. Let your body receive fresh fire in the name of Jesus!" Aunty Favour said with authority

It felt like the fire increased....

After few minutes, she said...

"Amen!"

And the fire subsided...

***"You will pray the first prayer point like this...Oh
Lord baptize my life with your Fire and your
power in the name of Jesus!"***

I began to pray like a mad girl. I wanted the fire I was feeling to increase, I wanted all the several beings in me to run out ...

"Intensify!" She shouted...

"Oh Lord, my father, baptize my life with fire and power in the name of Jesus..." I prayed it violently...

"You will pray the second one like this...***Purging fire of God, pass through my life and chase out all inhabitants of darkness in the name of Jesus.***"

"Ayaaaa! Oh Lord, send your purging fire into my life and chase out all inhabitants of darkness out of my life."

I felt it, it was like a storm or a tornado. It turned me in circles uncontrollably. I knew I was turning, and I couldn't stop it."

AUNTY FAVOUR'S POV

My eyes were opened and I saw fire entering a house that had a lot of demonic strangers in there.

The fire was like a whirlwind and as it kept turning in circles, some of the demons caught fire, while some escaped, hanging on the walls, some disappeared, some even resisted the fire. About 40 percent of the strange spirits had been dealt with through that singular prayer point.... I was encouraged...

"Halleluyah! I am excited, I wish the Lord would open your eyes to see the deliverance that has happened, Just one prayer point has done some powerful cleansing there, but now we will be praying some prayers with top speed, as I am calling them , pray like there is no time. It is the feeling of shooting the enemy without giving the enemy breathing space...." I said

"Yes ma, I am ready ma" I screamed

"Every blood covenant between me and any previous sexual partner, break by fire in Jesus name... Pray " I called and I was happy as to how

the girl attacked the prayer, she prayed like she really wanted her deliverance...

My eyes opened and I found myself in a white room with bright lights. I saw myself in a long white apparel, also I saw a Man in a white Agbada.

"Favour, come see"

I saw Beauty standing in the white room in a school uniform with a boy. Their fingers are intertwined and there was a red rope tying them together.

"What's the red rope?" I asked the Holy Spirit.

"It is Virginity covenant, which is a blood covenant. This is the boy that deflowered her. In the boy's lineage, they suffer delay in childbearing, if the blood covenant she entered with him through sex

does not break, she will have at least 15 years delay in Childbearing."

I returned back to the room...

" Pray aggressively like your life depends on it, include this into your prayers... ***Every blood covenant with the first person I had sexual intercourse with, break by fire in Jesus name.***"

She prayer it madly and I love how smart Beauty was, she mentioned the name of the boy. She directly broke the covenant using the name of the boy...

My eyes opened to see into the spiritual, I saw fire melting the rope and they both broke free.

" Halleluyah! Thank you Jesus!"

The Holy Spirit said...

"The next prayer she needs to pray is to break every soul tie."

He showed me a number of ropes that had been interwoven together. The ropes were of different colours

"These colours represent people, the purple represents royalty, red represents abused or damaged, and so on, so through sex beauty has woven and tied her soul with different people. She has soul ties with uncountable number of people. "

My Spirit returned and I called out the prayer quickly...

"Oh Lord deliver me from any soul tie between me and any of my previous sexual partners in Jesus name

I loved Beauty, because she meant serious business. She was tired of being messed up and used by the devil. She was praying the prayer like she didn't mind fainting.

As she prayed, my eyes opened and I saw multiple hands untying the ropes....

In the physical, I was jumping for Joy, I was excited. I was happy this girl was receiving her deliverance, her soul was getting untied from the several souls she had woven it with in the name of sex.

"In Jesus name we pray!"

"Amen!"

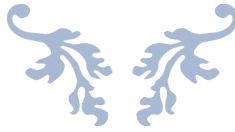

Everyone was sweating, including Ajaara, Mr George, Gloria, Sammy and Friday.

Gloria had dropped whatever she had going on.
This was prayer time and no Lighter dared play
with prayer time.

SEXMATICS: THE MATHEMATICS OF SEX

INSPIRED BY THE HOLY ONE

I remembered the multiple faces I saw on her face when I initially saw her, and I was led to call the next prayer point.

"Spirit of past sexual partners living inside of me, exit by fire in the name of Jesus"

BEAUTY'S POV

It felt like the woman knew everything about me, because the prayer points were hitting me rightly

and for each prayer, I felt like the strange things were leaving me.

As she called the prayer about the spirit of my sexual partner leaving me, I felt like someone lifted me and placed me on the floor and right before my eyes, I saw the figures of people leaving my body and disappearing ...

AUNTY FAVOUR'S POV

My eyes opened and I saw the man in Agbada again.

"Do you know that a parent's past sexual engagements can also affect the children. When a father has had several multiple partners and has acquired a lot of spirits, if he impregnates his wife, he automatically transfers the spirits into the unborn child, likewise a woman. Science has started proving it in your physical realm that traits of a woman's past sexual partners that has entered her DNA can actually be seen in the child

born for a present partner, so Favour, apart from all Beauty acquired herself, there are spirits she acquired from her mother. So let her pray this loud and clear...

"Traces of the spirits of my parents past sexual partners inside of me, expire by fire, clear away by fire in the name of Jesus"

I called out the prayer in the physical realm and I watched in amazement how Beauty began to roll on the floor as if someone was untying her on the floor..."

BEAUTY'S POV

The prayer about one's parents' past sexual partner was doing something to me. I saw dark smoke fizzle out of me as someone was untying me in an anti-clock wise manner.

"Broom of fire sweep out/chase out every spirit buying and selling in me in the name of Jesus" I heard Auntie Favour call out another prayer as I was still trying to recover from the other...

"Characters that are alien to me that I acquired from my sexual partners, be erased out of my DNA by fire"

"The DNA of my previous sexual partner that is in my DNA, blood of Jesus, wash it out, Fire of the Holy Ghost...burn it off in the name of Jesus"

She rolled out two prayer points on DNA, and I couldn't help but wonder how sex can affect our DNA...

"Science has shown that when we Kiss or have sex with anyone, their DNA is in their saliva and their sperm and that way when we swallow their saliva or their sperm enter us, their DNA stays in us for a

few hours. Science has even shown that molecules in the seminal fluid of a previous sex partner are absorbed by immatured eggs of a woman which then influences the development of a future male offspring.." Auntie Favour explained in the midst of the prayer.

"Could it be why sometimes, my mom would say I have some traits my father and her do not have?" I wondered as I tried to wrap my head around the science in this spiritual exercise.

"Demonic DNA that has flowed into my family DNA through sexual intercourse either by me, or by my parents, let that DNA be erased now in the name of Jesus" Auntie Favour called out.

I noticed that as she prayed for me and as the other were praying too, they also began to pray for themselves as well. I noticed Auntie Favour added my spouse to her own prayer... I heard her say..."Demonic DNA that has flowed into my

family or my lineage through my husband's sexual engagements, you that DNA be deleted from our blood line in Jesus name."

CHAPTER 25

SEXMATICS: THE MATHEMATICS OF SEX

INSPIRED BY THE HOLY ONE

I was sure we had prayed more than 7 prayer points, but the Spirit of God kept pouring out the necessary prayers we needed to pray...

Suddenly my eyes were opened and I was in the white hall again. I saw Beauty being tied to another young boy. By that time, I had come to the understanding that when I see her tied with anyone it meant she had had sexual intercourse with that person.

Very close to them, I saw an Ancient looking woman sitting on the floor with her legs crossed. She tied a red wrapper. She looked like a chief

priest. Opposite her, I saw another woman crying before her saying...

"I need a son to call mine."

"I will give you a son, but I will be his wife to protect him all the days of his life."

"No problem, as long as he doesn't die like the others "

"He won't die"

The man in Agbada appeared beside me.

"That is the Spirit wife of one of the boys she slept with in secondary school. By becoming one with him, Beauty also married the woman. The spirit of the woman also lives in her controlling her. A time

will come Beauty will begin to fade and look older than her age making it difficult to get married... At the age the spirit of this ancient woman wants to manifest, it will be the time of marriage, all potential suitors will be seeing her as an aged person."

"My father in Heaven!" I exclaimed...

"So call the appropriate prayers for her to deal with it."

Prayer points began to pop in my Spirit and I opened my mouth freely to release them and I was happy Beauty and the others were grabbing the prayers with seriousness. My eyes were tightly shut but I could sense some of the Lighters had joined us in the rooms, kitchen. I couldn't blame them, the prayer fire had increased. They would have been fools if they did not join.

"Spirits that I have married as a result of my past sexual intercourse, burn to ashes by the Fire of the Holy ghost."

"Every unconscious covenant that I have entered into with any Idol or Spiritual entity as a result of sleeping with anyone. Be broken in the name of Jesus"

"Covenant of failure, Covenant of non-achievement, Covenant of Disappointment, Covenant of Stagnancy, and all types of evil covenants I have entered into as a result of past sexual engagements...break by fire in the mighty name of Jesus"

It felt like wildfire and pop-corn effect, I felt it in my Spirit. The prayer fire spread to the rooms, kitchen, toilet and the lighters started getting hit by the power of God. Some started speaking in tongues, some started vibrating and manifesting

under the weight of the power and presence of God...

"Bring them out, all of you join us. If you are not going to work, join us" I said giving them permission to join us physically...

CHAPTER 26

SEXMATICS: THE MATHEMATICS OF SEX

INSPIRED BY THE HOLY ONE

BEAUTY'S POV

The prayers about being married to a Spirit opened my eyes ...I saw the elderly woman who I had seen earlier leave my body. The one that initially took the face of Gloria...

I started crying. The reality of what had been living inside of me hit me. That dirty looking aged woman was living inside me!

"Curses that I am struggling under as a result of my past sexual involvement with anyone, my Lord deliver me from this curse. I break free from this... I break free from the curse of failure at the

edge of breakthrough, Curse of death and hell, Curse of disappointment, Curse of hatred..."

Aunty Favour called another prayer point and she began to mention different curses...

I was feeling it, it felt like chains were loosened from my head. My head was feeling lighter...To confirm what I was feeling. Aunty Favour began to explain...

"Curses are like chains, padlocks, yokes, burdens on one's lives. If one of your former sexual partners operated under a curse, whether inherited curse, self -inflicted curses, or Ancestral cursed, it transfers to you through the exchange of energies during sex. So pray that evil curses under which you are languishing, be broken... Chains don't break easily, you apply force. Break the curses now..."

Aunty Favour explained thoroughly...

AUNTY FAVOUR'S POV

My eyes opened briefly and I saw Beauty's head wrapped in chains. The chain extended and as I followed through, I saw the chain linked her to a man. The man also had a demon standing by him...

I had to cover my nose because of the terrible stench from the demon...

"Such terrible odour!" I exclaimed

The man in Agbada resurfaced...

"What does it smell like? "

"Like a dead animal!" I replied

"That is the spirit of the grave. the Man Beauty is tied to, in a bid to make money went to the grave to sleep with a dead woman thereby inviting the spirit of the grave into him. By Sex, Beauty is now under the curse and bondage of the grave Spirit "

" Every bondage of the spirit of the grave over my life, break in the name of Jesus " I called out from the Spirit.

BEAUTY'S POV

That prayer resonated with me...

I knew I had the spirit of death inside me. I needed it to go out!

I prayed like a mad girl...

"Curse of death over my life, break in the name of Jesus! Spirit of the grave inside me, out by fire

in Jesus name" I personalized the prayers. My Spirit too had become charged!

"I shall not die in Jesus! My body is the temple of God!" My mind began to remember some of the messages I had heard at different times in my life. I believe the Holy Spirit took over my tongue...

"I am not for death, I am for life. Jesus Christ died for me, so I can live. The Spirit of the grave, you are in the wrong place, Bible says whenever I decree a thing it shall be established. I decree in the name of Jesus, you Spirit of the grave, out of my life in Jesus name.

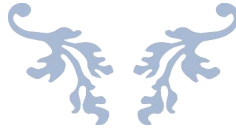

Suddenly! I burst into uncontrollable tongues. I couldn't control my mouth. At first, it started out as one syllable tongues..." Ba..ba..ba...". As I continued it became two...' Ba ta...ba...ta...ta...ta..." and as I uncontrollably continued and pressed on, the tongues intensified...

I felt it and I screamed as a result; a dark canopy was removed from over me....

INSPIRED BY THE HOLY ONE

It felt like life had been drained out of me. I laid on the floor with no strength. I began to sob uncontrollably and I heard myself speaking...

"No, don't chase us out, how will we feed, we feed on the destinies of her sexual partners, we feed on the marital joy of her sexual partners, we feed on the peace of her sexual partners, don't send us out of her body. She is our house..!"

" Shut up, you foul spirit in the name of Jesus. The Bible says as soon as they hear of me, they shall obey me: the strangers shall submit themselves

unto me. The strangers shall fade away, and be afraid out of their close places. You obey me as I ask you questions...Who are you?"

"We are many! "

"Begin to introduce yourselves one after the other in Jesus name"

"My name is Lebaton, I am an ancient sexual demon of the 4th registry. "

"How did you enter her life?"

"She slept with a boy who had slept with a girl who housed me."

"So what do you do with her?"

" Through her, I feed on glories, destinies, marital joy and peace. That's what I eat. Once she sleeps with anyone, I collect their destinies, I destroy their marriages, I eat their businesses. Please don't send me away. If you send me away, I won't be the only one leaving. I don't walk alone, when I entered this body, I came with a lot of us. Where do we go from here" I heard myself sobbing

" Who did you come in with?"

" I came in with affliction, pain, devourers, hatred, infirmities of different kinds, confusion, divorce, disappointment, disaster....we are many!"

" Well, this body is the temple of God, you and your host of irritating spirits, I command you in the name of Jesus! Out by fire!" Auntie Favour said and truly I felt like someone was whipping me with fire whips in my spirit...

"Fire! Stop flogging us, please!"

"Yes! Let the Angel of the Lord whip you out of this body in Jesus name. You can not hide in this body anymore in the name of Jesus Christ. I call you out of your closed places and I command you to go to hell, you do not enter any human body, the fire of God chases you to hell in Jesus name...Holy ghost Fire! I double the fire you are feeling now, Yes I triple the fire! Yes ! Seven times! Holy Ghost Fire! Yes, you can not resist the fire. As soon as you hear of me you obey, God has given me that authority. In the name of Jesus! Out by Fire! Come out of your closed and hidden places now! In Jesus name!"

I heard myself let out a loud scream more like a shriek.

"I want everyone to pray this" Aunty Favour said to everyone present in the room...

"Ancient sexual goddess holding on to the reins of my life, I call upon the sword of the Lord to cut off your hands off my life in the name of Jesus"

The lighters in the house prayed

Despite not praying with my mouth, the prayer had effect on me too. I started shaking profusely on the floor.

" The Ancient Sexual demon inside of you...Out by fire in Jesus name"

"Add this everyone***Strangers of darkness living inside my body, that has made my body their home, Holy Ghost chase them and occupy my life with fire in the name of Jesus"*** She rolled out another prayer...

The room was on fire...

As I laid on the floor mumbling the prayers with the little strength I had, I couldn't but hear the prayers of those close to me... I was feeling a very strong spiritual vibration close to me. The tongues that erupted from the mouth of the person were like bombs. I didn't know who the person was until the person spoke in human language... It was the lady called Ajaara. She was fire!

"Holy Ghost occupy my life with your fire in the name of Jesus" She cried in prayer

To my left, I could hear another familiar male voice. It was Friday's voice..

"Sexual demons in the foundation of my life, come out and die in the name of Jesus" he prayed aggressively.

His vibration was high but not as high as that of Ajaara. I found my body tilting towards Ajaara. I needed her spiritual current.

INSPIRED BY THE HOLY ONE

I began to pray alongside what Ajaara was saying. By that time Aunty Favour was speaking in tongues...

"Holy Ghost occupy my life with your fire in the name of Jesus" Ajaara was praying and I began to repeat after her...

I felt like someone was filling me up...It felt like I was an empty container and someone had opened a tap of water into me...

"Evil spirits, demonic spirits that the spirit of sexual immorality has opened my life to, Holy Ghost fire send them packing from my life and utterly destroy them in the name of Jesus!" I heard Auntie Favour call that prayer. I knew that prayer was meant for me based on what the ancient sexual demon had said through me...

" Marine powers that had made my body a host body for preying on other people's lives and destiny, release me and let me go by fire in the name of Jesus!" Auntie Favour continued..

It felt like Auntie Favour had entered the room of prayers, because she kept rolling out prayers...

AUNTIE FAVOUR'S POV

The Holy Spirit in person of the Man in Agbada kept rolling out prayers focus to me...

" Everyone in that room needs to pray this next prayer, including Gloria. Some of your lighters are gradually beginning to have inordinate affections and desires. Gloria is letting Lust into her life through her fantasies about Sammy. Some of your idle lighters are watching soft romantic movies, and they may return to their vomit. Beauty already still need to be delivered from the spirit of lesbianism , masturbation in her, even bestiality that has not revealed itself. Let them pray about it now!"

The vision cleared! I walked towards Gloria and I whispered in her ears.

"Gloria, the Lord said you are letting inordinate affections in to your heart. Your fantasies about Sammy has to stop!"

She looked at me and nodded in agreement. I walked away from her and called out the prayer point...

" Holy Ghost kill every inordinate affection and satanic desire that tends towards immorality in the name of Jesus"

"Oh Lord destroy every seed of sexual immorality in me in the name of Jesus"

"Begin to ask the Lord to destroy those inordinate affections and satanic sexual desires...call them by name...Lord, kill the urge for sexual immorality , kill the urge for lesbianism in me in Jesus name, Kill the urge for incest in me in Jesus name, kill the urge of sleeping with demons in me...."

As I mentioned "Sleeping with demons" I heard a large scream from one of the boys in the room. I moved towards him ..

He began vibrating.. I began speaking in tongues asking for the help of the Lord.

The Lord opened my eyes...

"He picked up watching horror movies and movies with male and female gods recently and some demons have gained access to him. These demons have started making him desire to sleep with female gods he has watched in the movies, even recently he imagined God the father being a woman and he fantasized about sleeping with God!"

" Jesus!"

" Release Fire on his mind!"

CHAPTER 29

SEXMATICS: THE MATHEMATICS OF SEX

INSPIRED BY THE HOLY ONE

I was mad in my Spirit as to what the devil was doing with these ones...

I was inspired to hit his chest hard...

"The Lord kills every inordinate affection and satanic sexual desires in your heart in the name of Jesus!" I prayed

"The thought and desire for incest , bestiality, homosexuality dies in Jesus name. I release Fire into all your hearts in Jesus name!"

" Fire! Fire! Fire!" I heard the chorus of Fire from a lot of them in the room.

" My Chest ! Fire! My chest Fire! My head Fire!"

"Thank you Jesus! Thank you Jesus!"

BEAUTY'S POV

"Add these two prayers" Aunty Favour said.

My entire body was on Fire, my chest was on Fire!
But I still wanted to pray!

"Oh Lord shut the door of my life against evil spirit in the name of Jesus"

Yes! I knew a lot of Spirits had left me...The Spirit that came in through the sexual demon had left me and I didn't want them returning...

"Oh Lord shut the windows and all entrances of my life against evil spirit in the name of Jesus"

Aunty Favour emphasized

We prayed that for another few minutes....

"Thank you Jesus! Thank you for what you have done! " Aunty Favour Said...

It felt like she was closing the prayer, I didn't want it to end, I wanted more...

"We are entering another dimension...It is the time of restoration. A lot of you have lost virtues, gifts, talents, glory, helpers, wisdom, anointing, peace as a result of past sexual engagements, it is

time to recover them back via Mercy. Are you ready for Recovery of Glory and Restoration?" Aunt Favour asked

" Yes ma!" Everyone chorused.

" First, begin to thank the Lord, for what He has done so far. Thank the Lord for His Deliverance power that has delivered you this morning..."

" Thank you, Thank you Lord, Thank you Lord for everything you have done! Mountain Mover, Healer, Defender, God of the whole Universe, restorer, flusher of our lives, cleanser of our lives." Aunt Favour praised God as everyone did likewise...

After few minutes of praise, Aunt Favour called out the first prayer of restoration...

" Pray this loud and clear...Every good thing I have lost as a result of past sexual engagement oh Lord of mercy, restore them back to me in the name of Jesus"

I gathered my strength and prayed. I needed my peace, my joy, e.t.c

I dozed off briefly and I had a short dream....

I saw myself by the grave. I saw my married neighbour who transferred the spirit of the grave into me. I saw him standing by the grave. I saw a woman rise up from the grave and gave my neighbour parcels that had my name on it. Immediately, I heard myself shouting the same prayer point in the Spiritual realm. ***Every good thing I have lost as a result of past sexual engagement oh Lord of mercy, restore them back to me in the name of Jesus"***

The woman looked at me and faced the neighbour...

"This one wants her goodness back."

I ran towards them and grabbed all the parcels that had my name on it.

AUNTY FAVOUR'S POV

"Call Mercy and Kenneth and connect them to this prayer. Sexual deliverance is not just for the singles!" I heard the Holy Spirit

I had sent Mercy on her way earlier, so definitely she would have gotten home...

I dialled her number and after few rings she picked up.

"Are you home?"

"Yes Mom!"

"You and Kenneth should join us !"

They were familiar with times like this. We sometimes called them from the Lighthouse to partake in fire sessions.

"This next prayer is for Married people, but you singles can invest it into your future or you pray for your siblings who are married ... ***Any problem that my husband or wife has brought into my life as a result of their past or present sexual involvement, Holy Ghost wash me clean and purify me in the name of Jesus***" I called out

" For the singles, ***Pray that the Lord purifies your future spouse so they don't bring nonsense into your life. Pray that God will give them sense so they don't turn you into nonsense through your sexual intercourse with them***"

I knew Kenneth needed that pray, Even though Mercy is my daughter, but her Saudi Arabia sexual encounters was something Kenneth needed to constantly pray about.

" Any repercussion of Mercy's sexual encounter in Saudi Arabia still manifesting in their marriage, Holy Ghost destroy it in Jesus name" I prayed silently...

My Spirit went to Carina, one of our Lighters who married the Shopping Mall Manager; Pelumi. I had stopped two days earlier at the shopping mall Tina had dropped Beauty off the bus. A prayer point dropped in my Spirit for her. I quickly sent her a text..

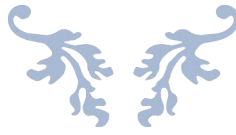

"Hello Dear, How are you doing? Quick one; a prayer dropped in my Spirit for you....***Oh Lord protect my spouse from engaging in sexual practices outside my marriage..*** Love you Dear. Keep the fire burning. **Note:** this is not a text to

make you accuse your husband wrongly, it is to protect him from what the devil is planning. Be good "

To be continued...

CHAPTER 30

SEXMATICS: THE MATHEMATICS OF SEX

© Opeyemi Akintunde...

INSPIRED BY THE HOLY ONE

“ Oh Lord purify me completely that I may qualify for your use” I heard the Holy Spirit drop it in my Spirit..

As the lighters prayed, My eyes were opened and I saw myself in the white hall again. This time around I saw Sunmisola, one of the Lighters sobbing,

“She is a victim... Childhood sexual Abuse and she has allowed it to keep her in chains, Let her pray..”
I bent and whispered to her...

“Sunmisola, Pray! ***Chains of sexual abuse from birth, break by fire in the name of Jesus***”

The Prayers continued for another 1 hour, few of the other prayers that were prayed are...

**** Chains of sexual addiction break by fire in the name of Jesus***

**** Evil dedication to any sexual idol, I renounce you by fire in the name of Jesus***

**** I claim my complete deliverance from the Spirit of sexual immorality and sexual perversion in the name of Jesus***

**** Lord let my eyes be delivered from lust***

**** Lord, let my thoughts and mind be delivered from lust***

**** Oh Lord grant me grace to honor you with my body in the name of Jesus.***

After the entire session, I knew I was no more the same girl that walked into that house the Previous Night.

Aunty Favour Left after the session, but gave instructions that the seven days vigil should still be observed.

My spirit man became charged in those seven days.

I fasted for the three days as instructed.

I stayed in the Powerhouse for One Month studying the Word, learning a lot of worship and Praise Song. I realized that exactly the 40 days the

first prophet wanted me to stay in his Church was exactly what I spent in the Powerhouse before I was released to return home. It dawned on me that what I was running away from was exactly what I came back to...No Matter how much we run away from God and Prayer, we will always come back to it in the future.

Aunty Favour followed me home, but before that, for three days, we prayed concerning the minds of my Parents, We prayed forgiveness into their hearts. We prayed with the Story of the Prodigal Son, The Prayer Point Aunty Favour gave me to pray was...

“Lord, by your Mercy, may the hearts of my parents merry when they see me, give them the strength to forgive and forget my errors and

their hurts, and Lord whatever my disappearance has cost my parents and siblings, Lord repair the damage in Jesus name”

The Prayers worked! My family members were full of Joy when they saw me. Auntie Favour spoke at Length with my parents and pointed out their errors to them. They were encouraged to teach my siblings the truth about the mathematics of sex as this would help them because ***”THE TRUTH SHALL SET US FREE”***.

It’s been Five years, and by the Grace of God, I have been Sexually pure since the time of my deliverance. I made concious Spiritual , Physical, mental and emotional efforts to stay sexually pure. One of my greatest help is community. Even though, I am presently living in the United States, I stay connected to my family at the Lighthouse and Powerhouse. It helps my thoughts, prayer life, conversations, e..t.c.

I have put my love for Mathematics to good use. I went ahead to study Mathematics at the university,

and I am presently an Assistant Teacher in High School. I decided to right my wrongs I committed in the Academic sector, by impacting teens in High School with the truth.

I decided to write this book as a way of reaching out to a lot of people I may never have the opportunity to speak to all around the world. I still pray daily for all my Past sexual partners that God's Mercy will locate them and they will receive their deliverance as well.

Thank you for reading SEXMATICS! I BELIEVE YOU HAVE BEEN ENLIGHTENED AND BLESSED.
